In addition, Anant Khemlal & James McGowan, MPD residents, Paul Pepper, MPD Legal Counsel, and Amanda Niewender, Secretary to the Board of Commissioner were also present.

Numerous communications addressed to the MPD pertaining to a wide array of matters were reviewed and discussed and eventually disposition was made to those, which warrant action.

The following resolution was proposed:

BE IT RESOLVED, that the Board of Commissioners for the Manhasset Park District approved payments as follows:

3. Anant Khemlal

Mr. Khemlal came in to discuss a ticket he received. He was parking so infrequently, that he was parking as a nonresident. The nonresident regulations had just changed and he didn't realize. He had parked where nonresidents were previously permitted. He is a resident, and came into to obtain a resident permit earlier this week so he can now park anywhere. This was his first ticket received by the MPD. The Board discussed and since the ticket had not been sent into court yet, and it was his first time offense, and he did already obtain a resident permit, they were able to VOID the ticket.

4. James McGowan

Mr. McGowan came in to discuss a ticket he received. He had a temporary permit but it was expired. He had his monthly pass displayed, but received a ticket for no permit. The Board asked if he has since obtained a permanent permit, but he explained he was still working on it since the car is registered to his mom. The Board agreed if he comes in to obtain a permit before the ticket is sent into court, they will VOID this ticket.

5. Nonresident Assessment.

The Board reviewed the data from this month. There has only been 1 day in October that the lot filled, otherwise daily there are 10-30 available spots for residents all day long. They voted on and approved a November extension.

6. Tickets issued and voids/ App Roll out

The Board signed off on approved/erroneous voided tickets. Amanda notified the Board we will roll out the app mid-November. All the signage will be posted.
