## DDW Recital Flower Order Form

Each year, we support a small business through the sale of gorgeous flowers for our dance families to gift after a job well-done at our recital! Bantam Blooms has been providing gorgeous pre-ordered flower bouquets for DDW for 5 years and we are thrilled to use them once again! Pre-Order your flowers now and pick them up in the lobby before the show! No last minute grocery store runs, all while supporting another local business!

**We have 2 options this year with endless possibilities!**

The **"Single Rose"** option is wrapped in paper, tied with string and includes one rose with greenery!
