Fundraising Update

Maria: Book Fair raised \$3322.62-we get 25% back to use to purchase books for the school.

Had to make \$3500 or more for money back. Biggest sale in the last 4 years.

Maria has run it for 6 years and is ready to hand it off to another volunteer. It has typically run 2x/year in the past.

Is it worth the time and energy for what we get out of it?

There are benefits for the teachers (spanish books, for example) so weighing if we continue to do it and how frequently.

Alt Idea: Book swap? Bring gently used books from Muir families, proceeds go to JMAP/Muir

Annual Giving

So far we have collected more than \$3K on PayPal.

May have another "annual giving" this spring, but donations are welcome year round.

Maybe do one more push before the end of the year.

Try and get a button added to the website or on social media
