

## SOS Children's Village Projects

Members of the Heritage Quilt Guild provides a quilt for every child that enters the SOS Children's Village in Lockport. Members are asked to provide completed quilts or quilt tops (premade bindings are helpful), offer to quilt or bind quilts. **Maximum quilt size is 60 x 72 inches.** Bright colors and novelty prints are preferred for children's quilts. The guild SOS Committee embroiders the name of the recipient on each quilt.

### Christmas Stockings

The SOS Committee can always use ½ yard+ cuts of Novelty Christmas/Winter fabric for stockings. A date will be scheduled when the guild members will meet to sew the stockings together. Stockings are filled close to Christmas with school supplies and fun items for the children. Ages range from infants to 16 years old. **We ask members to donate stocking stuffers from a list of items provided by the committee.**

### Pillowcases

Included in each Christmas Stocking is a novelty pillowcase. Donations of 1 yard novelty fabrics are always needed. Pillowcase kits and a pattern, are provided by HQG for take home projects.
