AMSA India would like to thank you for your **valuable contribution for the successful completion of our National level webinar: Addiction Battling campaign- Project Hope Stone and National didactic event: No Tobacco Tuesdays- Project Swaasth Aajeevika and Hope stone of PH & RD, AMSA-India.** This letter serves as an acknowledgment for the same.

Asian Medical Students' Association (AMSA) -India is the official Regional Chapter for AMSA International in India. AMSA International is a student-led, not-for-profit, non-political organization that was officially founded in Manila, Philippines in 1985 which trains doctors from 16 Member Nations and 11 Associate/Observer Nations combine to share knowledge, undertake activities and social services and create international and trans-continental friendships. It has an active international student- exchange program, regularly undertakes national and regional projects, provides humanitarian assistance at times of need, produces quarterly student publications and liaises with the World Health Organization, the Association of Medical Doctors of Asia and many other international and regional medical student organisations.

An organisation of medical students ,for and by medical students - AMSA India was established in 2011 and it's been flourishing ever since and is now a full time member of AMSA International.

Our goals can be summarized in our triune vision of Knowledge , Action and Friendship

AMSA India sincerely appreciates the time you spent reviewing the subject goals of the said event and recommending strategies for achieving them. Your advice was very helpful and gave the volunteers a new perspective on available opportunities. We especially appreciate your willingness to contribute and your unconditional support. Any additional suggestions you may have would be welcome. Again, thank you so much for your help. **We truly appreciate and are deeply grateful to you for taking valuable time out of your busy schedule and contributing towards the success of the event.**
