

CRESCENDO CREATORS

Elementary Music Camps for Ages 5-12

July

Crescendo Creators camps are designed for elementary-aged musicians who are ready to explore music, movement, creativity, and collaboration in a fun and engaging camp environment. Campers enjoy a balanced day that includes themed music instruction, creative activities, outdoor time, and a daily visit to our **Instrument Discovery Lab**, where *a new instrument is introduced each day* so campers can explore what they may be interested in learning privately.

Morning sessions run from 9:00–12:00 (drop-off 8:45–9:00, pick-up 11:45–12:00).

Afternoon sessions run from 12:30–3:30 (drop-off 12:15–12:30, pick-up 3:15–3:30).

Campers of all ages may enroll in half-day or full-day options. Campers attending both morning and afternoon sessions must bring a peanut-free lunch, and all Crescendo Creators campers should bring their own peanut-free snack each day.

Name of Camp	Description	Dates	Times	Age
Shadow Pop: Music, Movement & Myth 	A high-energy camp featuring K-pop, Taylor Swift, and pop star-inspired music through rhythm and movement. WHY WE'RE DIFFERENT

Accelerando Music camps at “The Barn” are not childcare programs—they are small, intentional experiences led by expert music educators. With limited enrollment, every child is known, supported, and encouraged to grow creatively in a nurturing environment.

“...I was blown away. I've never seen [my daughter] more excited for a drop off, and less excited for a pick up...”

“...simply amazing!! I cannot wait for the next session.”
