# About Us

Life to Paper Publishing Inc. (Life to Paper) is an independent publishing house, which helps diverse, mission-driven, heart-centred individuals put their life to paper and reach and inspire audiences and readers.

The Bookshop by Life to Paper is a physical bookstore, which serves the community of Buena Vista, Miami, Florida. We decided to open our doors even further, supporting local authors and artists and providing a place for future authors to commence working on their stories and workshop their pieces through our literary society. The Bookshop by Life to Paper is a place of inspiration and community, showcasing that, if you set your mind to it, you can write the book of your dreams, and we'll help you along the way.

Life to Legacy Foundation is Life to Paper Publishing's not-for-profit organization dedicated to educating and empowering individuals with courses, books and resources to write their life stories. We believe we can change the world one story at a time, and the Life to Legacy Foundation is our way of giving back to all the communities that deserve to have their stories shared.

LIFE TO PAPER BOOK FESTIVAL RETURNS TO MIAMI

November 11 - 30, 2022

# Our Vision

We are thrilled to share that Life to Paper Publishing and its community partners will organize a space filled with artists, books, publishers, authors, and more at the 2nd edition of the Life to Paper BOOK FESTIVAL from November 11 - 13, 2022.

This exciting space will host local authors and artisans featuring their works as well as, international authors. The onsite market will be accompanied by a digital platform featuring a schedule of events included with purchase of a Festival Pass. Special events including: Literary Dinner, Bookish High Tea, Life Story Writing Workshop, Poetry Writing Workshop, and more - limited number of tickets sold separately.

Applications are now open and artists, publishers, authors and booksellers are invited to apply! All are welcome and local Miami applicants are especially encouraged. We are able to accommodate approximately 33 exhibitors inside the space we have activated. The space will allow for tables and shelves with and without wall display, and exhibitor fees will range between \$100-\$400. These fees will go directly toward the hard costs of producing this community-building, non-profit event.

Life to Paper BOOK FESTIVAL supports local and international authors, artists, musicians and creators- bringing together people from all walks of life and inspiring and uplifting to make our community a better place. We're grateful to our title sponsors for supporting this vision.

The deadline to be included in the market is October 1st at 11:59pm EST. As noted above, space is limited. Please email [info@lifetopaper.com](mailto:info@lifetopaper.com) with any questions.
