"That's (Not) in the Bible—Part 7" -- Luke 11:37-44

"C_____ is next to G_____"

Where did this come from? J_____ W_____? Francis B_____? Ancient writings?

I. The Old Testament T_____ that God's C_____ must avoid D_____
(i.e. Numbers 19:17-19; Lev. 11:24)

II. A S_____ by-product of A_____ defilement…was S_____ P_____ (God sought to correct this through His P_____)
Even J_____ addressed this (i.e. Luke 11:37-44)

Real C_____ happens when God gets ahold of and T_____ our I_____ S_____
A central theme of Jesus's Sermon on the Mount = Living a R_____ inner life and how that will then I_____ what we say and do O_____

III. Thankfully, there is some G_____ N_____
Though all have S_____ (Romans 3:23), Jesus can F_____ C_____ ANY person from the inside out.
…stemming from His S_____ on the C_____ (Hebrews 9:14-15, 22)
…and then we keep ourselves P_____ and C_____ by staying in God's Word. (Ephesians 5:26)

However, we must never "bask" in our C_____ with P_____, instead we must humbly remember who P_____ that initial cleanness and H_____ He provided it!

May you and I echo the P_____ of D_____
