

“Proverbial Work” -- Proverbs 6:6-11

In the Proverbs: Diligence vs L_____

Diligence = S_____ and E_____ (i.e. a “threshing sledge”) that produces a R_____ (often a V_____ result—like “mined gold”)

Be S_____ and E_____ in your work

KEY TRUTH #1: Diligence is related to being a S_____ - S_____ (Proverbs 6:6-11)

KEY TRUTH #2: Diligence in work often leads to G_____ T_____ (Joseph, Daniel, Proverbs 10:4-5, 12:11, 14:23, 25:13)

KEY TRUTH #3: Diligent people H_____ to things, rather than L_____ things H_____ to them (Proverbs 12:24, 13:14, 21:25)

KEY TRUTH #4: The diligent don’t M_____ E_____ (Proverbs 26:13-16)

These four key truths might even come up in a J_____ I_____!

For the S_____ at home P_____ (being I_____)

For the S_____ (your J_____ is your S_____)

For the R_____ (part-time or in a V_____ C_____)

There is always S_____ to be done...that you can D_____ with diligence!
