Broken – Jesus breaking bread at last supper, Christian fellowship (connectedness, fellowship, U_____)

Divided – false T_____ attempting to divide the C_____.

Also, division of O_____ caused by Paul’s preaching (people not focusing on the “main thing”)

Bread – Jesus’ literal B_____ (broken).

Jesus viewed the C_____ through the lens of brokenness.

Satan expected the cross to be a D_____.

But God, in His Sovereignty, would use the cross as a U_____.

Humble individuals taking communion → lead to humble churches → lead to the humble linking of churches → lead to a movement of H_____ across communities.

Because “bread” also represents the B_____ of C_____ (the Church).

P_____ (divided) vs. H_____ (broken)

3 things that should unify us:

- 1) Our H_____
- 2) C_____ itself
- 3) The ground is L_____ at the cross

One more word for “divided” – divided for the purpose of D_____

What Satan views as a L_____ C_____, God can most definitely redeem for H_____ C_____!
