

Dear Partner,

Scandia Heritage Alliance is thrilled to bring the joy of **free live music** to our community in summer 2026, thanks to the generous Matching Grant from Levitt Family Foundation. In August and early September 2026, a five-week concert series will transform the lawn of the Scandia Community Center into a lively **Wednesday evening** gathering place in partnership with the Scandia Farmers Market. Imagine food trucks, dancing, kids' art activities, ice cream, and local vendors — all set to the backdrop of outstanding live music.

Two special Saturday events will round out the series: a Levitt feature performance during **Gammelgården Museum's Spelmansstämman Music Festival on August 15**, and a celebratory finale concert following the **Scandia Taco Daze Parade on Saturday, September 12**, also at Gammelgården Museum.

Each concert will showcase a different musical genre, featuring national, regional, and local artists representing a wide range of musical traditions and cultures. Watch for our upcoming artist announcements in the month ahead.

Concert nights are designed for the whole family. The Farmers Market and Food Trucks open at **3 pm**, with live music from **6-8 pm**. The Farmers Market will extend its hours to 8 p.m. on concert nights, creating a vibrant midweek gathering in the heart of Scandia. Families can also enjoy kid-friendly activities such as art stations, bubbles, and playful contests that make the evening fun for all ages.

We anticipate weekly audiences of **250 to 700 guests**, enjoying music that ranges from Big Band and Americana to Southern soul, funk, blues, and New Orleans Zydeco. Some evenings will invite audiences to relax and listen, while others will draw people onto the lawn to dance and celebrate.

These concerts are about more than music — they are about **activating our public spaces and bringing people together**. By creating welcoming opportunities for neighbors, families, and visitors to gather, this series will help energize the Scandia Village Center and strengthen our sense of community.

We hope you will consider becoming a **2026 sponsor** of the Levitt AMP Scandia Music Series – helping us secure the Levitt Match. Your tax-deductible contribution will go directly toward bringing talented musicians to the stage and making these free community concerts possible. If you would like to discuss sponsorship opportunities and benefits, please feel free to call me at **651-233-0267**. We would love to partner with you in bringing this exciting new tradition to Scandia.

Thank you,

Susan Rodsjo, SHA Board Chair, and the Levitt AMP Scandia Planning Committee
