## Trophies of God's Grace

Friends and family gathered on May 4<sup>th</sup> to congratulate Christy Cantwell and Tricia Roberts on their commencement of The Healing House and New Beginnings program. As Executive Director Heather Gieck explained, the main purpose of The Healing House program is to lead men and women into relationship with the Father, through the Son, laying a foundation of trust that is rooted and grounded in the Father's love. Christy and Tricia gave testimonies of their lives and journeys with the Lord through their Healing House experiences after Heather and those attending shared their congratulations.

Christy began by giving glory to God for His grace that brought her where she is today and by affirming her true identity as a child of the Most High God. Struggling with drug and alcohol

addiction for at least 30 years, Christy tried to stay clean and sober. As a result of her addiction, Christy stated, "My whole world fell." Relationships with her family were broken and she ended up in jail, blaming God for everything. By reading the Bible nightly, Christy came to realize God was her only hope to see her children again, to regain her life and to not return to that destructive life. She prayed to God, "Change me, somehow just change me." Within that next week, she entered The Healing House program. "Walking out of the jail, I knew that God had answered my prayer."

Christy spoke of things she's learned over the year: How to seek God in every decision, fear is a liar, how to walk in love and forgiveness, to give everything to God, to be still and trust that God's got this. "Heather never gave up on me even when I was going to ... ever. She has taught me through His Word." Christy ended by personalizing Philipians 1:6 "I am confident in this, that He who has begun a good work in me will continue till the coming of Christ Jesus."

Tricia opened her remarks with,

"The Tricia you see and know today is someone completely different than I was before. Before I had Jesus Christ in my life, I was a monster – a selfish monster." Following a series of personal losses, Tricia was in jail when she gave her life to Jesus. In prison, Tricia wanted what she heard and saw in Heather Gieck who came and shared part of her story. "I knew then if she could change, I could too. I wanted the love of Jesus that's inside her... I knew what she had I could get."

She shared many of the truths from God's Word she's learned during her year. "God requires our highest commitment and you, Heather, have shown me that the Kingdom of God is worth more than anything on this earth. I have a covenant with my God. The Anointed One and His anointing have destroyed my bondages!" Tricia concluded with declarations of who she is now in the Lord, "... I am a miracle and I'm free! Are you all free tonight?"

Both Christy and Tricia are staying on with the ministry following their commencement to continue to grow individually and to support others as they come to the ministry.

Beginning March 1, The Healing House and New Beginnings began partnering with House of Prayer Family Church to offer Friday night **Celebrate Recovery** meetings. Celebrate Recovery is a Christ-centered, 12 step recovery program for anyone struggling with hurt, pain or addiction of any kind. Celebrate Recovery is a safe place to find community and freedom from the issues that are controlling our lives. Originally started in 1991 at California's Saddleback Church, according to the website [www.celebraterecovery.com](http://www.celebraterecovery.com) there are now 35,000 churches offering Celebrate Recovery around the world and it's growing in other places including state prisons.

Each evening starts with a meal at 6:00 followed by a time of praise and worship. Next, either a personal testimony or teaching is given, then participants meet in small groups for sharing. Healing House program residents are participating and developing leadership abilities as each week they share in the responsibility to provide the meal and meeting. **Come as you are and join us!**

## ~ Giving Back ~

Healing House and New Beginnings leaders go to Fulton one evening a week to teach a recurring 5-week Program of Action 12-Step recovery class at the Fulton Department of Corrections Community Supervision Center. Missouri's first all-female 120-day residential probation and parole program opened in February 2019 and is designed to help women prepare for life after incarceration. The Center houses up to 40 women. A group from The Healing House attended the first graduation ceremony for the women enrolled in the program.

Heather Gieck and Tricia Roberts are pictured above, left with Jefferson City Mayor Carrie Tergin as they help disaster relief efforts at Quinn Chapel AME Church following the tornado that hit Jefferson City in May. .

The Healing House lent Colton's Steak House & Grill a hand recently by serving at one of their large catering events. Colton's has generously supported the ministry since opening in 2015 and we were happy for the opportunity to help.

Please pray for our residents and
