EXPERIENCED BUSINESS CONSULTING

We provide a hands-on, simple approach, based on over 25 years experience in the manufacturing sector and include consulting and coaching in the following areas:

**Change agent focusing on:**

Organizational effectiveness, improvement and development

**HR assistance for:**

Hiring manufacturing and operational executives

**Situational interim management**

**Board of Director's Seat**

**Lean Management & Lean Manufacturing**

- Process improvements
- Scrap rate reductions
- Improvement of process flow
- Optimization of facility layout
- Implementation of 5S
- Transfer of technology

**Classes and training centered around:**

- Business culture
- Leadership
- Lean management
- Lean manufacturing

*Jedele Consulting was founded to create value for customers across the different industries. We specialize in helping companies with improving lean manufacturing and management practices as well as overall leadership performance.*

**Companies turn to Jedele Consulting when they are:**

- Experiencing poor efficiencies in the manufacturing process
- Frustrated with loss of margin
- Challenged with returns, poor quality and rejected parts
- Tired of high turn over and lack of employee morale
- Confronted with poor supply chain performance
