DVMA Mustangs Shine at Cobra Day

by Gail Vasgerdsian

Sixteen members of the Diablo Valley Mustang Association attended the Cobra Day Car Show at the Cobra Experience on Saturday, June 6th, enjoying a day filled with beautiful cars, great company, and perfect weather.

The morning started out a little cool, but as the day progressed, temperatures warmed up and provided ideal conditions for a car show. Members gathered early to display their Mustangs among an impressive field of vehicles that filled the parking lot and attracted a steady stream of spectators throughout the day. Many other DVMA members joined their fellow DVMA members throughout the day to support our club and enjoy the energy in the parking lot of the Cobra Experience.

Several DVMA members took advantage of a new feature: the VIP Lounge inside the Cobra Experience Museum, where they could relax, socialize, and enjoy the museum's remarkable collection. Outside, visitors were treated to a special display of Ford “Total

President's Message from Derek Schaffer

I have to start off this month's message with some unfortunate news: sometime in April or May the DVMA storage unit was broken into, and everything of value was taken. This includes our logo'ed pop up, all of our newly acquired raffle prizes for this year's show, folding tables and decorations used for our picnic, Halloween and Christmas gatherings, among other things. Three of our members discovered this while going to drop a few things off. While this non-voluntary donation to our local delinquents is irritating and aggravating, it is only a small wart on our amazing club. Not something we asked for or wanted; however, we are strong, we are growing, and we are a close knit group. The police were contacted and a report filed. Our insurance covered some of the loss. We aren't replacing everything, as some things aren't needed, but we have ordered and received our new pop up with our newly designed logo. We also will be replacing our much needed raffle prizes for our upcoming October show.

Moving on to more pleasant topics, our members have been extremely active. Diablo Valley members have been out there showing off their prized rides. From shows in Castro Valley, Danville and Martinez, to cars & coffee at the Cobra, Livery and Alamo, plus sim racing against our friends at Diablo Valley Corvettes. Our members show why DVMA is growing in numbers. On that note, get out there, tell folks about our club and how active we are. It's not by accident. We have a passionate group with lots of hard working members that put thought into activities, invite other clubs to join us on outings, spend precious time calling potential sponsors, writing our incredible newsletter, sending out emails keeping you informed, and making decisions - all for the growth and betterment of our club. We have a hard working, dedicated board that honestly cares about every member. So please come to a general or board meeting. And when you do, take a minute to thank your board members; they deserve it.

Nominations are now open for all board positions for 2026-27. While some of our present board would love to remain in their present positions, some are stepping down. We are a true democracy and if you would like to be on our board, or would like to nominate someone for a position, please do so. We will accept nominations until July 28th. I will contact all nominees by August 1st to confirm acceptance. A ballot will be emailed to all members shortly after to cast your vote. Online voting will remain open until August 11 and during our August 12th General meeting we will accept manual ballots. At that meeting voting will close, all votes tallied, and I will contact all winners on the 13th. Our new board takes over September 1st. Your vote matters and we need everyone to vote. Even if you aren't super active, we want you to be heard. Good luck to all. Positions to apply/nominate for: President, Vice President, Treasurer, Secretary, Tour Coordinator, Sergeant At Arms, and three Board Members. We are still in need of volunteers for our annual car show. If you can help, please sign up for your chosen assignment or simply sign up and Chuck will find a place for you. Until we meet on the road…

- Derek

Cobra Day, continued…

Performance” cars from the museum's collection, adding even more excitement to the event.

One of the most unique aspects of the show was the judging process. Rather than traditional judging, the classes were all judged by children, making the awards especially fun and unpredictable. It was interesting to see which vehicles captured the attention and admiration of the younger generation of automotive enthusiasts.

DVMA members were well represented in the winners' circle, taking home three Best In Class awards:

- Dave DeLuce – Mustang 1974 and newer
- Brad Kamin – Mustang 1967–1970
- Allen Tapia – Mustang 1964½–1966

Congratulations to Dave, Brad, and Allen on their outstanding achievements!

The Cobra Day Car Show proved to be a successful event, bringing together Mustang and Cobra enthusiasts from across the region. With excellent weather, a strong turnout, unique judging, and award-winning Mustangs from DVMA members, it was a memorable day for everyone who attended. A special "Thank You" to Drew, Janet and Emily for hosting the Annual Cobra Day Car Show and bringing together Mustang enthusiasts from all over the area.

Shadelands Classic Car Show

by Gail Vasgerdsian

On Sunday, June 7, the Walnut Creek Historical Society hosted its Sixth Annual Shadelands Classic Car Show on the beautiful grounds of the Shadelands Ranch Museum. This outdoor event once again proved to be a favorite gathering for classic car enthusiasts, families, and local history supporters alike.

The venue offered the perfect setting for the show, with ample shade provided by the ranch's mature trees and plenty of appealing parking areas for the stunning collection of vehicles on display. Spectators enjoyed an impressive variety of classic and specialty automobiles, making for a memorable day of automotive appreciation.

Adding to the excitement was live music, great food, awards presentations, and a raffle that kept attendees engaged throughout the day. Visitors also had the opportunity to tour the Shadelands Ranch Museum, allowing them to experience a unique piece of Walnut Creek history while enjoying the event.

The show was expertly hosted by DVMA Honorary Member Keith Euranius, who served as Master of Ceremonies. Keith kept the event moving smoothly, providing commentary and helping maintain an enjoyable atmosphere for participants and guests alike.

The Diablo Valley Mustang Association was represented by three members: JT, Richard, and Tony. Throughout the day our car show flyers and "Nice Car" cards were distributed to Ford owners. These outreach efforts provided an excellent opportunity to introduce fellow enthusiasts to DVMA and, hopefully, attract some new members to the club and the DVMA car show.

The Shadelands Classic Car Show continues to be a wonderful community event, combining beautiful automobiles, local history, and friendly fellowship in a picturesque setting. DVMA appreciates the opportunity to participate and looks forward to supporting future events at this outstanding venue.

A Brighter Day Shines in Danville

by Gail Vasgerdsian

Downtown Danville's Hartz Avenue was alive with chrome, horsepower, and community spirit on Sunday, June 14, as the annual A Brighter Day Car Show welcomed car enthusiasts and spectators from across the Bay Area.

Whether participants arrived behind the wheel of a cherished classic, a stunning exotic, a custom build, or a beloved cruiser, the event showcased an impressive collection of vehicles while supporting an important cause. This year's show attracted approximately 175 vehicles from throughout the Bay Area, creating a diverse display that appealed to automotive enthusiasts of all ages.

Hosted along the charming streets of Downtown Danville, the event combined the excitement of a premier car show with the welcoming atmosphere of local restaurants, boutique shopping, and community gathering. Visitors enjoyed strolling Hartz Avenue while admiring everything from meticulously restored classics to modern performance machines.

More importantly, the event served a greater purpose. All proceeds benefited A Brighter Day, a nonprofit organization dedicated to supporting teen mental health and suicide prevention. The combination of outstanding vehicles and charitable giving made for a meaningful day that extended far beyond the automotive community.

The Diablo Valley Mustang Association was well represented at the show by members Richard and Lillian Schroeder, Vince Casey, and Joel Edelman. As is often the case at Bay Area automotive events, DVMA Honorary Member Keith Euranius was also on hand with his RPM Insurance/Hagerty booth, greeting participants and sharing information with fellow enthusiasts.

With beautiful weather throughout the day, attendees enjoyed a leisurely stroll down Hartz Avenue, taking in the impressive array of vehicles and connecting with fellow car lovers. The combination of perfect conditions, outstanding cars, and strong community support helped make this year's A Brighter Day Car Show another successful event for both automotive enthusiasts and the charity it supports.

The event once again demonstrated how a shared passion for automobiles can bring people together while making a positive impact in the community—proving that great cars and a great cause are always a winning combination.

Father's Day Cars, Kids, & Coffee

by Gail Vasgerdsian

The Cobra Experience once again delivered a perfect blend of horsepower, history, and hometown camaraderie during its Cars, Kids & Coffee gathering on Sunday, June 21st, which also just happened to be Father's Day. Held every third Sunday of the month, this month's event gave families a great reason to celebrate Dad with something a little louder—and a lot more fun—than the usual brunch.

The museum opened its doors for the occasion, and many fathers took full advantage, spending their special day exploring the exhibits, sharing stories, and passing their love of cars on to the next generation. Outside, participants enjoyed the familiar comforts of coffee and donuts, fueling conversations and early-morning enthusiasm.

DVMA was proudly represented with three Mustangs, adding to the impressive lineup and showing continued support for this monthly community tradition.

Be sure to keep Sunday, July 19th circled on your calendar. Next month's Cars, Kids & Coffee will feature the highly anticipated Cobra Experience Sweepstakes Car Giveaway. If you haven't purchased your tickets yet, now's the time—your lucky number might be the one called!

DVMA Fruit Picking Trip

by Erik Miller

Saturday, June 13th started with several DVMA members gathering at the Farmer's Daughter fruit stand in Brentwood. We picked up our buckets, and then we got to work picking our own fruit from their orchards. Cherry season was over early this year, but there were peaches and apricots galore. After we'd all rounded up and paid for our fruit, we headed over to Miller's Cafe for a hearty breakfast, turning their parking lot into an impromptu Mustang car show! Big thanks to DVMA member Ravi Shankaran for putting this fun day together. If you have an idea for a DVMA event, talk to Tour Coordinator Gail and make it happen!

Adopt-A-Street: Keeping Concord Beautiful

by Erik Miller

June meant it was time for DVMA members to help make the City of Concord a little prettier by meeting up and picking up trash on Diamond Blvd. This is a long-standing DVMA tradition, and one of the ways that DVMA gives back to the community. When you turn from Willow Pass onto Diamond, you'll even see a sign in the center divider proudly proclaiming that this street is maintained by DVMA. After spending about an hour collecting our "treasures," we traded out yellow vests and trash bags for forks and knives, and had a fun breakfast at Giant Chef, to treat ourselves for a job well done.

The final Adopt-A-Street date for 2026 will be on Saturday, October 3rd. Please save the date and plan to join us!
