Happy Birthday, Ford Mustang!

by Gail Vasgerdsian

Thursday, April 17, 2025 started out as a cold, damp day. During the early morning hours, the Bay Area received some unexpected rain, and when I woke up and looked outside, the roads were wet and there were still some raindrops coming down. All I could think about was what a way to celebrate National Mustang Day! With my fingers crossed, I hoped that Mustang owners were not afraid of a little dampness, and wouldn't let the weather stop them from bring their ponies out for the drive and lunch that was planned for the day. Sure enough, I was not disappointed.

Upon arriving at The Cobra Experience there were already many Mustangs parked in the lot waiting for the drive to begin. As 10 am rolled around, more and more Mustangs arrived. What a beautiful sight to see Mustangs of ALL years and models pull into The Cobra Experience. We were not sure how many cars were going to attend, but soon Mustangs filled the entire parking lot! Coffee and donuts were enjoyed while mingling with Mustang

enthusiasts, and members of not only DVMA, but several other clubs. Everyone had one thing in common, the **LOVE** of Mustangs.

Finally, the time had come: after a group photo and some words from Emily from the Cobra Experience, it was time to start our engines and head out! Mark and Gail from DVMA lead the cruise, and Dave DeLuce brought up the rear as we pulled out of the parking lot for a 44 mile loop drive that would eventually bring us back here to our starting point. We headed through Martinez, onto Franklin Canyon Road, right onto McEwen Road, and twisted and turned through the hills onto Carquinez Scenic Drive. Straight through Crockett, onto Hwy. 80 and off at Pinole Valley Road. Left on Pinole Valley Road, continuing to the end where we made a left onto San Pablo Dam Road. We drove on until we came to Bear Creek and made a left. Cruised down Bear Creek till we made a right onto Alhambra Valley Road, and from there we cruised through the valley, back onto Hwy 4 and headed back to the Cobra Experience. The drive took us up into the green hills overlooking the waters of the Carquinez Strait and down into the picturesque Alhambra Valley, for a wide variety of beautiful East Bay sights. Lunch was ready when we arrived back at The Cobra Experience. Mustang owners enjoyed a fine meal, plus more time together to socialize and review the lovely cruise we had just completed on this National Mustang Day.

During the cruise, there were a few stops to get everyone grouped back together, and a couple of construction zones that slowed us down, but the group of Mustangs managed to stay together very well. What an awesome sight seeing the line of Mustangs cruising through all the different areas and towns!

Continued on page 3…

Mustang Day, still continued…

People all along the streets stopped to take pictures and wave hello as our mighty Mustang caravan passed by.

All in all, we had 46 Mustangs attend this National Mustang Day cruise. Mustangs came from all over the Bay Area, including Sacramento, Fairfield, and San Jose. DVMA was very well represented with about 25 Mustangs, and many members. What a great showing, especially since National Mustang Day was on a Thursday this year. Many people took the day off, or 1/2 day off, to come celebrate with us. What better reason to take the day off from work than to celebrate the birth of Ford's legendary pony car!

We're already looking forward to next year, when we'll celebrate National Mustang Day 2026! **Save the date: Friday, April 17, 2026.** Hope to see you there!

President's Message from Susan D'Arcangelo

Happy May! Let's give a warm DVMA welcome to our latest new members: Chuck & Marcia Breazeale, Peter & Fonda Keown, Nancy & Nat Sangiacomo, and Brian Weatherman. Thank you for joining what we believe is the best mustang club in the Bay Area!

April was pretty awesome - we had a huge turnout at The Cobra Experience on April 17th for the Mustang's birthday: over 40 Mustangs from all over the Bay Area! Now that the weather is nice, join us for all the fun we have in store for DVMA members this month. A few of the highlights are the DVMA breakfast at Sherry's Kitchen on May 3rd, the Top Shop Cars & Kinder's May 6th, Snakes at the Farm May 10th, and the DVMA Golfland trip May 31st. Wow! Check out all of these events and more in the calendars on Pages 8 and 9.

Don't forget that all members are welcome to join us at our monthly meeting at 7 pm on May 14th, plus the car show meeting an hour before at 6 pm. There have been a lot of members at our meetings lately and we love to see you all there! As always, thanks to all of you for making this such a great club!

Susan D'Arcangelo

Calling all DVMA Members: Join the DVMA Car Show Committee!

After an amazing 2024 DVMA Car Show, the 2025 DVMA Car Show is already on the horizon! It will once again be held at the **Cobra Experience** in Martinez, this time on **Saturday, October 11**. That's only 163 days away! It's an awesome venue, and the museum will be open that day, too. We learned a few things last year and will strive to make this year's show even bigger and better.

If you would like to get involved in the planning and execution of this exciting event, now is the time: The first 2025 Car Show Committee meeting is on **Wednesday May 14,** from **6:00 to 7:00pm** at **Fuddruckers**, 1975 Diamond Blvd in Concord. Yes - this is immediately before the DVMA general meeting. This is DVMA's biggest event of the year, and we need our members' help to make it amazing. We need volunteers for it all: from planning to parking, working with sponsors to judging, and everything in between. Together, we can make this year's car show the best one yet!

Adopt-a-Street

by Anne Haugrud

Our Adopt-A-Street event on April 5th had a record number of DVMA members answering the call to clean and beautify the Diamond Blvd corridor. Twelve intrepid yellow-vested volunteers split into four teams and the job was accomplished in under an hour. Perhaps the promise of breakfast at Huckleberry's quickened their steps and sharpened their eyes!

Most of the pick-up team hustled over to Huckleberry's and joined the group already there for the first Saturday breakfast. There was a total of 16 of us! Hats off to the wait staff for their expertise, service, and patience. It was really a great start to the month of April!

We hope you'll join us for our next Adopt-a-Street event on August 16th.

Mustang Day, Another Way

by Ed Guldner

While I did not celebrate with DVMA, I celebrated National Mustang Day in my own way by driving my 2001 Mustang to the Carquinez Toy Train Operating Museum (CTTOM) in Crockett on Thursday, April 17th, and running a Mustang train around one of the main tracks.

I do have an actual Lionel Mustang Train; however, I couldn't find it. But, I also have a lot of flat cars with Mustangs affixed, so I grabbed a bin of them, a non-Lionel locomotive (actually a Menards Beta unit), and ran an 8 flat car train with each car carrying two Mustangs.

CTTOM's next Open House is on Saturday and Sunday, June 26th & 27th. CTTOM is at 645B Loring Ave, Crockett. There are usually several of us at CTTOM on Tuesday and Thursday mornings for work sessions, between about 10am to 1pm, if you'd like to stop by sometime.

California Auto Museum, April 12

by Gail Vasgerdsian

A small but mighty group of DVMA members enjoyed a beautiful and leisurely cruise to the California Automobile Museum in Sacramento on Saturday, April 12th. A group of 6 Mustangs started the drive from Kinder's parking lot in Concord. From there we hit the road and did a stop at Dutch Bros Coffee in Oakley to pick up 1 more Mustang. A total of 7 Mustangs and 11 members formed the caravan for this trip. Then it was time to hit the road! Original plans were to drive the Delta Route along the water into Sacramento, but due to road construction we decided to play it safe and cruise up Hwy 160, made a right onto Hwy 12 and merge onto Hwy 5. It was a sunny and clear cruise all the way to our destination. When we arrived at the California Automobile Museum, we were all able to park together right in front. It was a pretty cool sight to have all 7 Mustangs in a row.

Once inside the museum we enjoyed checking out the **Special Exhibit: Sixty Years of Mustang.** The museum put together this exhibit to celebrate one of the most iconic pieces of American automotive history - the Ford Mustang! They have a comprehensive history of the Mustang from when it first hit the roads in 1965 to the current era of Mustangs, highlighting stories from prolific names in Mustang history like Saleen, Shelby, and Iacocca. In addition, there are interactive experiences and digital displays showcasing the iconic image of the Ford Mustang in American media over the decades.

Along with the Mustangs, there are over 130 vehicles on display at this museum. There is a rotation of cars and special exhibits over the course of the year that the museum provides. Their collection provides a truly unique automotive experience for visitors. Definitely check it out when you're in Sacramento.

After working up an appetite strolling around the museum, it was time for lunch. Dottie Niethold did some research and found us a local place called Burgers and Brew. It was just 10 minutes from the museum and had GREAT parking for our Mustangs. Once we ordered our food, we made our way to outside seating for just our group. We watched all the A's baseball fans walking down the streets heading to the Athletic's game - Sure was a lot of green and gold! Food was good and conservation about Mustangs was even better. With such a small group we were able to get to know our fellow DVMA members better.

Continued on page 7…

Cal Auto Museum, continued…

Once lunch was done, it was time to head home. The group broke up and headed home in a couple of different directions. A couple of Mustangs headed back on Hwy 5 while a few of us decided to head down Hwy 80. We ran into some construction traffic on Hwy 80, so 2 Mustangs decided to make a pit stop at Fenton's in Vacaville for a sweet treat. Not a bad distraction from the traffic. Then it was back on Hwy 80 and home.

What a fun filled day DVMA members had! Cruising in our Mustangs to a Mustang museum exhibit made for a great time. A big "Thank You" to Dave, Rick, Jack, Craig, Chuck, Dottie, Ron, Vincent and Steve for joining Mark and me for this DVMA event.

SB-712 Will Change CA Smog Laws!

…but only if we get it passed. There is exciting news on the horizon for car enthusiasts: California State Senator Shannon Grove has introduced SB712, which would exempt any vehicle at least 35 years old from smog testing as long as it is insured as a collector vehicle. This would make a big difference for owners of Fox bodies, Mustang IIs, and so many other cars built after 1975, when our current smog check cutoff is. Plus, this would be a rolling 35 year exemption, so more cars would qualify every year. This bill is being promoted by Jay Leno, and is even being referred to as "Leno's Law". Read the full text of the bill HERE.

Please take a moment to contact your California State Senator and ask them to support SB-712. If you dont know who your State Senator is, you can find out by entering your address HERE. If we work together, maybe we can make California's smog laws reasonable for our classics.
