There's light at the end of the Covid Tunnel

Warm and sunny days, increased immunization rates, and the ability to gather in controlled groups are lightening the hearts of every DVMA member these days. We are soooo looking forward to attending our meetings in person and generally interacting together again. It won't be long now. The more of us that are fully vaccinated, the less members will need to worry about exposure to Covid Cooties. Get vaccinated! So get your Mustang road-ready and your DVMA welcoming smile ready (soon we might even be able to see that smile without a mask!). Until then, we'll continue to be hopeful for a fun Spring and an even better Summer!

DVMA DISPATCH

President Message from Harry Davis

Welcome to our new members – David and Debbie Heistand, and John and Alicia Quigley. We are all looking forward to meeting you and seeing you enjoy DVMA.

April – DVMA has several events in April, therefore this month's first Saturday breakfast will be held as part of National Mustang Day on April 17. Plan on breakfast at Country Waffles, Clayton Station, and hope we can all sit inside. If we can't sit as a group, at least we can wave to each other, park our Mustangs in the parking lot, and take some photos!

On April 10, DVMA will join other car clubs for the Drive for Hunger, meeting at Cobra Experience to drop off donations of canned goods. DVMA will not have a car corral, and those interested will have the names of other DVMA participants.

There are two events on April 24 - the SVRA Car Show at Sonoma Raceway, and DVMA's commitment to Adopt-A-Street in Concord. Several members have signed up for the Show at Sonoma Raceway. This month, in April, DVMA will ask for sign-ups for the Street cleaning.

Our April general and Board meetings will be held inside at Fuddruckers and Mountain Mike's if those can be planned for inside dining and meeting. Concord is still in the red zone, and there are restrictions as to what diners and restaurants can do. More information will follow by email.

DVMA's annual Car Show, All Ford-Powered Show, will be held on June 12. The Streets of Brentwood and Rob Brandt are on board to make this Show a great event! DVMA's Board has held the first planning meeting, and all members are welcome to join in planning and/or Show day volunteering. DVMA needs you!

Plan to participate in DVMA events and enjoy the company of club members and those who love Mustangs.

Harry Davis

DVMA – August is Election of DVMA Officers

The FUTURE of DVMA is in the hands of all of our members. Do you have a talent or skill that you would like to share with DVMA? Are you interested in shaping the future of DVMA? It won't be long until we can meet again in person, share driving routes, meet for breakfast, etc.

DVMA Board officers will be elected at the August 11 meeting. Hopefully we will be meeting in person at that time.

DVMA needs to guarantee minimum 20 diners throughout the day. Diners need to rsvp on assigned link or mention the group name when ordering. One possibility is to schedule a membership day. All agreed to plan a possible fundraiser as a future event.

Car show Update from Harry & Karen

Hi everyone, this morning we went to a meeting with Rob Brandt and Streets of Brentwood. The overall manager was there, Chris of Clarendon Hills, IL. Also Sandy of Streets of Brentwood.

Ford-Powered Car Show June 12, 2021 9am to 2pamm. We will arrive at 6:30am and be out of the area by 3pm

In order to cut down on gatherings and maintain social distancing Harry says no raffles and no live music.

The Streets will cone off our parking area so there shouldn't be any stray cars in our area. The Streets will give small hand sanitizers to each participant and will give Brentwood gift cards to local restaurants, a variety so maybe not the same card to each participant. The Streets will provide cardboard garbage collection "cans" in our area. The Streets will make posters (22"x28") for advertising. For this they will need a flyer with high resolution.

Rob will provide t-shirts, as in the past, with DVMA logo on them. We will contact him before May 25 with number, sizes, etc.

Updates to the flyer, discussion of the contract, and judging will be held at the next Board meeting on April 27. Please attend (to be determined if in-person at Mt Mikes or on Zoom) if you have input about these issues. We welcome your opinions.

FOR SALE \$12,000

DVMA member Joe Dearing is listing his award-winning 2003 Ford Mustang Roush/Boyd Coddington California Roadster for sale. This rare collaboration produced only 53 cars just prior to designer Boyd Coddington's death and this one is number 23! Both of the only 2 owners have treated it with kid gloves—always garaged, never driven in the rain, always a California car. It has been meticulously maintained. Only 16,300 miles on the engine. Mustang Club of America awarded a gold to this beauty at the Reno National MCA Show in 2016. This car is extensively documented from its purchase new in Clovis, CA to the multiple signatures by Jack Roush inside the car and, rarest of all, a Boyd Coddington-signed tach. For more info on the engine and other components, contact Joe Dearing at 925-765-9676.
