MONTEREY and MUSTANGS

Lft to rt: Harry, Karen, John, Matthew, Suzanne, Belinda, Bradley, Jim, Ron, Juan and Norma

Getting her toes in the sand

Lots of sardines and vegetables canned here in Steinbeck's day

We couldn't have asked for more perfect weather for our trip down to Monterey's Cannery Row. It was clear as a bell and mostly sunny and breezy—perfect for walking the shops and restaurants of Cannery Row. Did you know that you can even get an "Aqua-massage" without even getting wet? Ask Matthew Hawk all about it. He apparently tried it out in Hawaii and loved it! We all tried out some sort of seafood (although I did see a hamburger on someone's plate) at the Fish Hopper restaurant. I had sand dabs which were delicious! The view showed kayakers, divers and surfers out enjoying the water. We had such a great member turnout and traffic down that 101 corridor wasn't half bad.

Looking forward to our next outing this Sunday, February 10 for an ice cream run up to Fenton's Creamery in Vacaville. Meet up at the SunValley Sears parking lot at 11:00. They serve lunch as well as the biggest ice cream creations you've ever seen! Hope we see you there with as many friends as your Mustang can hold!

Top left: Matt, Juan and Norma admiring the ocean view

Mid left: Belinda, Ron and Suzanne with Bradley doing what teens do

Mid right: Roger and Sadie met up with us after their drive down from the peninsula

Top right: the food was amazing!

Bottom left: ...and the view was spectacular!

Poor John Steinbeck...just can't get any respect...

Members are allowed brief, one-time For Sale and Wanted ad's.

DVMA DISPATCH

We start off this month with some sad news of yet another club member's passing. Bob Nelson was a long-time member but was at the meetings less and less as his health deteriorated over the last year. Bob usually took up a seat in the back and loved talking Shelbies to anyone who would listen. He loved and drove a 2009 Shelby GT500, one of a specially-made group of just 150. He will always be remembered for bringing up the subject of how the rear axle had been shifted off to the left. Our thoughts are with his family now. He will certainly be missed.

On a lighter note, the latest tour led by John and Anne Haugrud to Monterey for lunch was a great success. Seven cars and 14 people made the trip and the Fish Hopper restaurant put out an outstanding lunch. There was even time to do a little souvenir shopping at one of the MANY stores and venues in the area. Next time we need to go a little earlier and make time for some of the local museums.

MUSTANG CLUB of AMERICA Request to Members

At the last Board of Directors meeting it was decided that we will pursue Digital voting for Standard members as well as Digital members starting with this year's elections. We need your help to make this happen.

Please ask your club members to make sure that we have their correct email addresses on file! They can log into www.mustang.org, click on My Account in the upper right hand corner and then click Edit MCA Account Details on the left hand side to check and/or change their information.

If they do not have access or experience problems logging in they can email me at mcaofficemanager@gmail.com and I will be happy to assist them.

Thank you so much for your help with this endeavor. We greatly appreciate it!
