THEY NEED OUR HELP MORE THAN EVER

The Contra Costa/Solano Food Bank has been the community’s last defense against hunger for thousands of hungry adults and children in our neighborhoods. The need has only become MORE acute during this awful pandemic. Last year our club participated in this food drive and the Food Bank was just at the beginning of what has become a food shortage crisis. Donations are down at the Food Bank due to the pandemic just when the need is quadrupling! Join us again for a lovely socially distanced drive sponsored by The Cobra Experience Museum in Martinez. Bring as many canned items as you can (think: cases at Costco).

DVMA DISPATCH

President Message from Harry Davis

In March 2020, who would have thought we would still be dealing with the COVID-19 virus and all the complications involved. And still dealing with restrictions of activities out and about.

As we go into the New Year 2021, and now February, the pandemic restrictions may ease before long. I hope each of you will get the vaccine shots and together we can try to see the end of this pandemic. Possibilities may vary for each event, so participants can decide whether or not to try takeout food to a park, etc. Eating outdoors in cold and/or rain isn't very appealing to me. Although it would be nice to wave at all of you! Join other DVMA members on Zoom and wave at everyone.

Watch for news about breakfast on Saturday, Feb 6. Some members may wish to gather for outdoor dining. Our meeting on Feb 10 will be by Zoom. A link will be sent separately to each of you.

Happy New Year 2021 to each of you

Our Clean Team was out in force

Diablo Valley Mustang Club has been a part of Concord for over 40 years now and we take pride in helping to beautify the city. It's been challenging over the last year but our members have stepped up and continued to man (and woman) the group that picks up trash along the Diamond Blvd. corridor every 2-3 months through the Adopt-A-Street program. Present last Saturday were Ed, Carole and Paul, Dwight, Hugh, Matthew, Harry, and Karen. Everyone stayed socially distanced but we look forward to the time when we can top the morning of trash collection off with a hearty breakfast at Giant Chef Burger. Join us for one of the next scheduled cleanups on April 24, July 31, or November 13. It's fun!

FOR SALE

DVMA member Joe Dearing is listing his award-winning 2003 Ford Mustang Roush/Boyd Coddington California Roadster for sale. This rare collaboration produced only 53 cars just prior to designer Boyd Coddington's death and this one is number 23! Both of the only 2 owners have treated it with kid gloves—always garaged, never driven in the rain, always a California car. It has been meticulously maintained. Only 16,300 miles on the engine. Mustang Club of America awarded a gold to this beauty at the Reno National MCA Show in 2016. This car is extensively documented from its purchase new in Clovis, CA to the multiple signatures by Jack Roush inside the car and, rarest of all, a Boyd Coddington-signed tach. For more info on the engine and other components, contact Joe Dearing at 925-765-9676.
