WHAT'S THAT SAYING...

...it takes a village? Well in this case, it took a whole car club! Yes our June 8, 1019 car show was a rousing success thanks to *everyone* pitching in. It was a very windy and blustery day which made for some last-minute adjustments (no hanging signs, no artful displays of the raffle prizes, no upright displays of the trophies ; they all would have just blown right over!) but it was sunny and the breeze was actually a blessing considering it could have been 100 degrees out there and NO wind! They also say “ a picture is worth a thousand words” so here are a few! (pictures, that is)

Did we say it was windy?!

Bill Brandt Ford team at their booth. They also brought some beautiful 2019 Mustangs to drool over!

Nicole and Ed were very busy at registration

Keith Suzuki did a phenomenal job of parking

Ron Freitas did a fantastic job with his teams of judges

DVMA DISPATCH

The “to-do” list that must be done before , during, and after a successful car show is long and, at times, daunting. There are often bumps in the road that require creative fixes and willing hands. DVMA’s recent car show at Streets of Brentwood on June 8 was a roaring success despite and because of it all.

Once again our major sponsors, Rob Brandt of Bill Brandt Ford in Brentwood, Tom Cruz of Delta Bay Mustang in Brentwood , and Red Robin restaurant at Streets of Brentwood were very instrumental in making it all happen. Special thanks to Rob Brandt for stepping in to “meet” with Streets management to iron out a \$1500 use-fee that had been promised to us for free as we were doing the show partly for charity. He got it waved. He also provided a van for hauling all our equipment and “stuff”, allowing us to park the loaded van on his property the night before so we didn’t have to bring it all out from Concord at 5 in the morning. Rob also provided large tables for the raffle booth and registration. and arranged for an onsite

Porta-potty required by Streets. On top of all that he paid for the car-show T-shirt that was given away with each paid registration!

Then, as he has done almost every year since DVMA has had car shows—21 now?—Tom Cruz of Delta Bay Mustang stepped in to pay the cost of the show awards. We had lots of feed-back about the quality and uniqueness of the trophies this year. Of course, the less we need to spend on overhead items like trophies, the more we can donate to our charity. Thanks Tom, for your wonderful generosity, both this year and in all the years past.

And of course, what would a car show be without some great music? Fortunately for us, Mile Weldon again provided some awesome tunes that greatly added to the festive vibe. We thank you, Mike, and appreciate your considerable efforts over all the years you’ve done this for our car shows. You should see how much equipment he had to jam in his vehicle! And your taste in music is great!

We even had assistance from members who weren’t sure they could be there. Thanks to Elizabeth and Dean Cofer for supplying a much-needed generator for our power supply. It was perfect!

Last, but not least, we thank Red Robin restaurant for allowing us to monopolize part of their parking lot It worked out just great and it made for a very convenient spot for our after-show chow-down!

All the above was planned ahead, but the day of the show is where the rubber meets the road. With a few last-minute pleas via email for day-of-show help, DVMA members showed up and stepped up! I am SO grateful to all the members who came out and supported the show—everything from set-up at 6:00 a.m. to tear-down at 2:00 p.m. and a thousand things in between —registration, raffle ticket sales, car judging, parking, vote tabulation and raffle prize reporting. All these things had to be done and there was no shortage of hands to make it happen. Thank you to EVERYONE who was there and helped us. What an effort and what a successful show!

Sincerely,

John Haugrud, President

PASS THE BUCKET, PLEASE

DVMA – Columbia State Park – May 4, 2019

On a beautiful blue-sky day, DVMA members Bobby and Lisi, Matthew, and Harry and Karen met early (did you read that -it was **early**?) to drive to Columbia State Park. It was about 2-1/2 hours' drive, so the group stopped for breakfast and had great conversation and coffee time. Arriving in Columbia before noon, there was plenty of parking available and all three cars lined up without any other cars nearby. It was the Annual Firemen's Muster with a parade and there were lots of volunteer firemen who arrived in teams to do some competitions. Lots of little children were involved with moving water from a small bucket to the big tank, and some activities like that. When it came time to shoot water for a distance, it was obvious how much difficulty was involved in getting to the fire, getting hoses and pumping going, and then getting water to the fire itself. Everyone in the area was friendly, great food was available in restaurants (our group had a fun time in the City Hotel), and there was some shopping going on! The ride home included good traffic patterns and everyone arrived home safely.
