## DVMA Show 'n Shine is Back!

After a one-year hiatus (thanks a lot, Coronavirus), our club's car show returned on June 12th with great fanfare! We had perfect weather and a great turnout of Mustangs and other assorted Fords. The area was large enough for all the cars to have plenty of room for roaming car fans to get up close (but not *too* close) and personal. A total of 44 cars were pre-registered with another 20 or so day-of arrivals. There was a great variety of Ford offerings, including a Fox body CHP Mustang! Here are some pictures to give you a taste of the fun...

# DVMA DISPATCH

## President's Message from Harry Davis

Welcome to our new members – Daniel & Melissa Tarin, Rick & Cristina Hernandez, Joshua & Arlene Presinal, and Terry Herringshaw & Pattie McNamee. Every member is a treasure.

DVMA's All-Ford-Powered Car Show on June 12 was a great show. Members all pitched in to make everything easy and quick for everyone. A few Mustangs drove into the area and tried to register on the morning of June 12, and they were invited to park in a nearby line of spots. The Red Robin parking area was clean and had plenty of room for the show cars. The weather cooperated with mild wind and warm, not hot, temperature. Bill Brandt Ford (Rob Brandt) sponsored shirts for participants, and The Streets of Brentwood provided hand sanitizers for all. Tom Cruz of Delta Bay Mustangs sponsored all trophies for the car show. Members who won trophies should bring them to the July meeting for everyone to see. Of course I will have mine there!

There will be several activities in July. Concord isn't having a Fourth of July parade, so let's bring our Mustangs to breakfast on July 3 and celebrate the Fourth while we have coffee and breakfast. Put flags in the car windows if you would like!

The summer is here and I hope you have opportunities to enjoy your Mustang. See club members at Breakfast on first Saturdays, Detail Garage on last Sunday of each month, and Cobra Experience Open Days.

Our July general meeting will be held inside at Fuddruckers on July 14. DVMA will be in a separate room, and I hope to see you there!

Harry Davis

## Outdoor THUNDERBIRD Display

On May 15, the Sacramento Classic Thunderbird Club displayed about 100 beautiful Thunderbirds of all generations in the outdoor area of California Automobile Museum in Sacramento. One Thunderbird even had a Mustang engine, installed by the owner. Harry and Karen Davis, with Bill and Julie Kinsey, enjoyed the display, food trucks, and beautiful weather in Sacramento.

## Shadelands Classic Car Show: 100 Years of FORD - June 6, 2021

The Shadelands Museum in Walnut Creek hosted a car show highlighting 100 years of Ford on Saturday, June 6. The show featured quite a few Mustangs, including those owned by Harry & Karen Davis, and Terry Herringshaw & Pattie McNamee. There were also quite a few Shelbys, Thunderbirds and trucks, and a mostly original paint Edsel. Indeed, the show lived up to its name, featuring everything from a Model T to the new all-electric Mach e. They had so many show car entries, they had to annex some of a neighboring parking lot just to fit them all in. It was a beautiful, warm day that was made all the better by the presence of a shave ice machine. If you haven't tried it before, it's a treat! DVMA members Hugh and Sally Blackwell, Elizabeth and Race Cofer, Chip Herman, and Erik Miller also attended.
