DVMA Car Show is Sunday, June 5!

by Erik Miller

Mark your calendars: The date has been set for the DVMA All Ford Show & Shine! On Sunday, June 5, Mustangs, Shelbys, and other Fords will take over the Red Robin parking lot at the Streets of Brentwood from 9:00am to 2:00pm. Many thanks to our show sponsor, [Bill Brandt Ford](#). There will be 22 trophy classes, including “Work in Progress” for those of us whose cars

aren't quite ready for prime time, and “Ford Powered” for cars that may not have rolled off of a Ford assembly line, but now have Ford power under the hood. Go to [DVMA.org](#) to register your car for the show, or mail in the registration form on page 11 of this newsletter. **You must preregister by May 20** to guarantee your spot and get a free T-shirt. We also need volunteers to help out the day of the show. It's going to be a fun day - see you all on June 5th!

Order Your DVMA Shirts By March 12!

They're here! Polo shirts with the DVMA logo are available to order right now. There are five styles to choose from: Mens, Mens with pocket, Mens long sleeve, Ladies, and Ladies long sleeve. In addition, there are both poly/cotton blends and 100% cotton shirts, plus many colors available. You can even pick the color shirt(s) that most closely matches the color of your Mustang(s)! Ordering information has already been emailed out. For those of you who don't want to pay online, there is an order form on page 12 and you can mail in a check. Or, just order in person at the DVMA meeting on March 9. We have made these club shirts available to our members at DVMA's cost - another great benefit of your membership! So, order your DVMA shirt right away. **Orders must be received by March 12.** Just imagine how cool we will all look at our car show on June 5th...

DVMA Dispatch

President's Message from Harry Davis

February was social, fun, and exciting for DVMA members. Some enjoyed a great meal at Huckleberry's in Concord, and will be going back there! Members also had a wonderful time driving to and enjoying ice cream at Fenton's in Vacaville. I always think it is at the Nut Tree, many of you remember the Nut Tree!

DVMA's All Ford-Powered Car Show on **JUNE 5, 2022** is in the planning stages. We will again be at the Red Robin parking area in Streets of Brentwood. Register online at DVMA.org.

Exciting news that DVMA members can order club shirts; order forms have been sent to all members. If you didn't receive an order form, please let me know. Everyone must pay in advance for their shirt(s) (pay on-line or mail a check to DVMA). The deadline for this order is March 12.

DVMA members were looking forward to a go-kart event in March, but UMIGO has closed! After many years in Livermore, UMIGO is now UMIGONE. K1 has several locations in California and members are planning an event at K1 in Dublin on **March 12 at 3:00 pm**. A minimum number of 8 drivers is needed, maximum number is 12 to be on the track at the same time.

Now it is time to pray for rain, snow, wet, since we are in a drought! The weather has been wonderful and gorgeous but it is still wintertime. Somewhere. See you at the next meeting **March 9, 7:00 pm**, at Fuddruckers! Come early for food and socializing. Note that Fuddruckers closes at 8:00 pm.

Harry Davis

Go Karting Day: Now @ K1 Speed, March 12, 3 PM

The DVMA Go Karting day has had a venue and time change: We are now going to **K1 Speed in Dublin** to race all-electric karts at **3:00 pm on Saturday, March 12**. See the events listing on page 6 or go [HERE](#) for

more details, and sign up in the event book at the next meeting on March

9. This is going to be an exciting and challenging day at the races. DVMA President and reigning Go Kart champion Harry Davis managed to get us a reduced club rate for this event, so it will be \$72 per person including all taxes and fees. What better way to thank him than to come out and try to beat him on the racetrack? See you there!

DVMA Member's Mustangs

by Erik Miller, Nicole Melton

Nicole Melton, DVMA's webmaster extraordinaire, is the proud owner of two Mustangs, which are exactly 40 years apart in age. In April of 2002, at age 16, Nicole's received her 1967 coupe from her grandmother, Reba, who had ordered it new in July 1967. She selected the options for Lime Gold paint, white vinyl top, Ivy Gold interior, 289 A-code engine, automatic transmission, upper and lower consoles, and air conditioning. Grandma Reba had worked in Macy's hat department, and saved up the money to buy the car herself, which she was very proud of. She was a bit of a hot rodder, and took out the A/C in 1972 because "it slowed the car down too much." She also swapped out the Autolite four barrel carb for a more tuneable Holley. She drove it to Reno often, and had a mechanic teach her how to adjust the carburetor mixture for higher altitude driving.

SEPT. 1988
REBA'S - 1967 MUSTANG

When Nicole got the car, she had to promise Reba that she wouldn't sell it, and would get her approval for any modifications. Nicole drove the Mustang throughout High School and College, and then decided to refurbish it in 2008-2009. Grandma approved modifications include Hooker headers and a Magnaflow exhaust, front disc brakes, Pioneer stereo in the glovebox, trunk-mounted subwoofer, and a race-prepped AOD 4 speed transmission. Outside, a Shelby-style fiberglass hood, plus front and rear spoilers were added, and the chrome parts were powdercoated pearl white before Nicole did the bodywork and painted it herself in

Ford Vista Blue with Cadillac White Pearl stripes. This Mustang has a special license plate: VLG 389. Reba always said it stood for "Very Lucky Girl" and that 389 was the horsepower she wished it had. That wish might actually come true, since Nicole has a hot 302 crate engine in the garage, waiting patiently to be installed.

In 2014, Nicole spent six months looking for a very specific stablemate for her 1967 coupe, one that was 40 years younger. She found a Windveil Blue Metallic 2007 convertible with a tan interior and top, 4.6 V8, and an automatic transmission. She has since redone the seats in all leather, had the trans rebuilt to race specs, plus added a cold air intake and an aftermarket stereo. Both Mustangs have been to the drag strip, currently running in the 15 second range. With these two Mustangs at home, Nicole is one Very Lucky Girl indeed.

DVMA Ice Cream Social, Feb 13

Some DVMA members and their Mustangs got together for the annual Valentine's Day Ice Cream Social on Sunday, February 13th. They met up at Country Waffles in Clayton, proceeded in a Mustang caravan up to Fenton's Creamery in Vacaville for a sweet treat, and were able to make it home in time for the Super Bowl. Mustangs were meant to be driven! (and ice cream was meant to be eaten...) If this sounds like a fun day, and you're sorry you missed it, check out the event listings on page 6 and pick a date to come hang out with your fellow Mustang enthusiasts. Many thanks to Tour Organizer Lisi Dennis for making this fun event happen, and to Bill Kinsey, Karen Davis, and Lisi Dennis for taking photos.

Coming Up: Drive for Hunger & DVMA Lunch, April 16

There are two great events coming up on Saturday, April 16th, and you can go to both of them!

- The Ford Powered Drive for Hunger starts with dropping off food donations at the Cobra Experience in Martinez at 9:30 am, then a drive along back roads to Crockett from 11:00 to 12:00. [Register here.](#) Or [Get Info Here.](#)
- DVMA's National Mustang Day celebration lunch will follow at 12:15 pm at TJ's Cafe, 3210 Pacheco Blvd, Martinez. Come out and celebrate National Mustang Day with your fellow DVMA members.

Coffee & Clutches in Antioch, Feb 6

by Erik Miller

The six year anniversary of Coffee & Clutches in the Starbucks parking lot in Antioch was filled with hundreds of cool cars. Everything from old trucks to Lamborghinis were represented, including quite a few Mustangs. There were so many cars that they spilled out into the rest of the parking lot, stretching from the Bed Bath and Beyond at one end, to Panda Express at the other. Regular shoppers must have been stunned by all the classic, sports and exotic cars taking over the whole lot.

Here we have a few examples of the Mustangs on display. First is a mean-looking supercharged notchback Fox body, sporting some wide drag radials on the back. In the center is my friend John's recently rebuilt 390 in his '68 GT coupe. The car is a primed work in progress, but the drivetrain is definitely sorted out, with a fuel injected FE and a Tremec 5 speed. On the right is a beautiful restomod '69 sportsroof, with a custom-made red shock tower reinforcing brace and windsor-based 427 power.

Next up are a pair of CA black plate convertibles: a '65 GT with LeMans stripes and yellow fog lights added, and a '67 in Brittany Blue with an immaculate two-tone blue interior. Next is this menacing '69 Cougar Eliminator, sporting DVMA show sponsor [Bill Brandt Ford](#) license plate frames. How cool is that?

If you missed this show, don't worry - it happens the 1st Sunday of every month at the same place: Starbucks parking lot, 5779 Lone Tree Way in Antioch. See you there!

And Now For Something Completely Different...

"Wait, why is there a picture of a Toyota in my Mustang newsletter?" Bear with me - this isn't just any Toyota. This is the first production 2000GT ever built, and was shipped straight to Carroll Shelby Racing (Aha! There's the Mustang connection!), where it was prepped along with 2 other 2000GT's to compete in SCCA C Production racing. Since "regular" 2000GT's are selling for a million dollars now, it will be interesting to see what this one hammers for at the March 4th Gooding & Co. auction. Check it out [HERE](#).
