THE SUNDAE CHALLENGE

The “challenge” was: “Eat both a lunch AND a sundae to follow” Well that challenge was taken on and mastered as is evident in the pictures of a small but apparently VERY HUNGRY group who went to Fenton’s Creamery on Sunday February 10. Pictured above is the evidence of full lunch plates and large appetites. Upper left Ed, Kristin and Race throw down the gauntlet and Matthew, John and Anne take it up with their own full-sized lunches. Then came the piece de resistance, full sundaes . Photographic evidence of the sheer size of these sundaes shows what a challenge this really was! But the “dead soldiers” below show just how much determination there was. There seemed to be a lot of moaning going on as we exited the restaurant. Who’ll be up for the Sundae Challenge next year?!

DVMA DISPATCH

We are now officially taking pre-registrations for our 21st annual Show and Shine Car Show on June 8, 2019 at Streets of Brentwood in Brentwood. This is a judged car show. We hope all our club members will enter their cars, and to register you can go to DVMA.org/2019_show_shine and click on Motosho. This site works great for registering and paying for these car shows. A portion of the proceeds from this fundraiser will go towards the Food Bank of Contra Costa and Solano. We will also be collecting in-date canned goods that will get you a free raffle ticket for each donated item. Participants may arrive at 7:00 am for cleaning and detailing your car but must be ready by 9:00 am for inspection and judging. Judging will be completed by 12:00 pm. We will be using an abbreviated MCA judging sheet which will exclude the trunk and undercarriage. I am asking every DVMA member with a running car to come out for this event and help us raise money for a worthy cause. I would also like to recognize Bill Brandt Ford and Delta Bay Mustang for their help with t-shirts and trophies. Also, special thanks to Red Robin restaurant for use of their parking lot. Should be a great place for a post car show celebration! Hope to see everyone there for this great event

Mustang Owners Museum close to completion

They've had over 35" of rain in Concord, North Carolina but the construction of the Mustang Owners Museum is moving along and they are still shooting to open on the 55th Anniversary of the Mustang on April 17, 2019. You may notice what looks like a swimming pool at the right of the picture. This is where the Legacy Bricks will be laid, just outside the entrance. They will be taking a photo for the Charter Membership plaques and DVMA will have one there. Our own Ed Guldner is hoping to make the trip for the Grand Opening and party. Let's hope the rain has eased up by then!
