WHAT A SWEET RIDE

What a gorgeous day we had for our annual trek up to Fenton’s Ice Creamery in Vacaville! It was a slow and tedious ride up the 605 and onto 80. This route is slow *anytime*, but when you factor in the long President’s Day holiday it was pretty brutal. But we were seated right away at Fenton’s when we got there and then the challenge was to answer the question, “Do I eat lunch AND a sundae or share some of each?” These are the heavy choices we are sometimes called to make. But make them we did, and then it was just a matter of convincing our stomachs to live with our decisions! Many of us split a lunch (John and I had an **AWSOME** grilled crab sandwich) and then shared one of the frozen delights that Fenton’s is famous for. After finishing our wonderful meals we headed out with John taking us on a much more scenic route coming back home out across Hwy 12, then down Hwy 160 and into Concord through Marsh Creek Rd. It was a great day and we had a great visit with everyone at Fenton’s. Hope you’ll join us next year!

DVMA DISPATCH

President Message from Harry Davis

Most discussions are concentrating on the upcoming June 6 All-Fords Car Show that DVMA is holding at The Streets of Brentwood. It will be very exciting for everyone. Register on the DVMA website using Motosho, and that makes it easy for almost everyone. We expect to have a live band for part of the day, and I think you will enjoy their music and energy. You can volunteer for your favorite part, using the Event Book and/or talking with Lisi. Jason is obtaining our insurance certificate and Anne is handling the raffle for the day. Nicole will research plaques to be awarded. Dean and Elizabeth are donating the use of a generator, which makes music possible.

Are you thinking of joining DVMA members at the Saturday breakfasts? It is a great time to get to know each other and spend some quality time together. Look at the dates and try to be part of the Adopt-A-Street program. This year the City of Concord has given us a calendar that does not necessarily include the first Saturday of the month.

The weather has been so nice that many members are taking their Mustangs out for a spin. Do you have a tale to tell that should be put into the monthly newsletter? We would all like to hear about your adventures.

Our monthly meetings are perfect for checking in, seeing friends, getting info, and just enjoying the DVMA group. First Saturday breakfasts are great for starting your Saturday and month!

Harry Davis

The Car Show Is Coming June 6!

What part will you play in its success? It's an all-Ford show this year so you can be telling all your friends with Ford machines that there will be a spot for them on the show field. Mustangs will be judged per MCA rules and other Fords will be participants choice. Plans are well underway now and the details are starting to come together. Last year we had an AWSOME showing of DVMA members to help with that show and, once again, we need you to ENTER YOUR CARS and SIGN UP for some same-day jobs like raffle ticket sales, parking and judging. Everyone who was at last year's show will attest to how much fun it was, so start planning!
