## Ed's Excellent Adventure

Our intrepid Membership chairman, Ed Guldner, set off on a solo cross country trip in his 1973 Metallic blue convertible Mustang approximately 3 weeks ago. The main goal was to attend the official opening of the Mustang Club of America's Mustang Owner's Museum (MOM) in Concord, North Carolina and a big model train show held on the East coast. He also has family along the way, so his itinerary was pretty full. Here's a blurb from him sent from "on the road" about the Mustang Owner's Museum events.

He did it all! Here's the proof, tickets and event badges from all the various celebrations

Above is my '73 covered with bugs in front of the Train Collectors' Assn. Eastern Division train show in York, PA. It was just starting to sprinkle.

I made it to Concord NC yesterday, Monday, afternoon. I got my registration packet this morning for the week's celebration. I was one of the first 500 registrants, so I have a pass to the ribbon cutting ceremony opening the Mustang Owner's Museum tomorrow at 9 am (6 am PDT).

The local visitors bureau set up a free do it yourself car wash area nearby so I got about 90% of the 4000 miles of bugs off of the car. I was next to a couple from Eastern Canada who drove across Canada to Washington and joined the Drive 55. So he had about 8000 miles of bugs.

Tonight will be a Welcome Party at Cabarrus Brewing Company with beer tours, food trucks, the "Auto Barn" (which I believe is a classic car sales shop) and antique market.

Tomorrow, Thursday and Friday there will be guest speakers each afternoon including topics of the clay model design, design of the SN-95, Roush Professional Drift Drivers, a certified Car Geek, etc.

National Mustang Day will be celebrated with a Mustang at 55 dinner at the Cabarrus Arena. Thursday will be an attempt to set a new Guinness world's record on the number of Mustangs in a parade. The current record is 960 held by Ford of Mexico. Friday will be the Hall of Fame Dinner at the Museum. And, Saturday will be the Saturday Night Banquet again at the Cabarrus Arena. It is supposed to rain Friday and Saturday.

## DVMA DISPATCH

Well, June 8th, the date of our DVMA Show and Shine Car Show is fast approaching! The checklist of last -minute details is slowly but surely being whittled down. As you all know, this show is for Mustang's only and it will be judged by a team of volunteers, headed up by experienced MCA judge, Ron Freitas, and using the Mustang Club of America's abbreviated judging sheet. WE NEED AT LEAST 12 VOLUNTEER JUDGES FOR THAT MORNING! NO EXPERIENCE NECESSARY! There will be a Judging Seminar at my house taught by Ron Freitas who will go over the things to look for on the abbreviated judging sheet. And I do mean LOOK for. This form of judging does NOT have the judge running his finger in the wheel well looking for dirt. In fact the judge only judges the things on the car that he can SEE without touching the car. All members are welcome to come to this morning seminar, even if you don't plan to be a judge at our show. It will be a great education for the next time you enter a show and let you know what the judges are looking for. Call, email or text that you plan to attend. John's phone: 925-787-4476, email John at

hogdude1800@outlook.com. Entering your car in the show competition does NOT eliminate you from judging (you just won't be judging your own car, of course). So come on over to my house on June 8th. There will be DONUTS!! (and coffee, of course). If you have not already registered your car for the car show then do it NOW. We need your support!! See you at the next meeting!

**What would they go for now?**

According to MCA Gold card judge and restoration expert John Haugrud, if they were all original and no modifications had been added, the '69 Mach 1 would go for about \$50,000, the '68 Shelby \$125,000, and the '66 coup for about \$2,000. Not bad!

**Coming Up Soon (5/18)—Step back to a simpler place and time**
