MCA National Show Coming to Bay Area!

If you read Anne's reports from the MCA National shows in Mustang, OK, and Tuscon, AZ and thought, "That sounds like fun. I want to be part of an MCA show." Well, you are in luck! The Golden Hills Mustang Club is hosting an MCA National show on May 20-22, 2022, in Suisun City, only 45 minutes from Concord. If you've been to an MCA show, you know what a big deal this is. If you haven't been, this is your chance to experience the big leagues without having to book a plane ticket and hotel.

You can come as a spectator and just take in the whole experience, or you can enter your car in one of the judged categories and have it judged by card-carrying MCA judges. Don't wait too long, though: There is a limit of 159 judged cars, and registration is filling up quickly. Volunteers and judges also wanted.

Click the link below for more information about the show or to register your car:

3. Renew online at DVMA.org

September Was Full of Car Shows!

Wow. There were so many car shows in September (and a few in October) that it was impossible to go to all of them, no matter how badly we wanted to get out of the house. Luckily, our DVMA members were out displaying their cars and checking out the sights. Here are five pages worth of their photos and reports from the field...

Autos of Alamo, Sept. 9

by Erik Miller

The Autos of Alamo show was held in the large parking lot of the Alamo Plaza shopping center, and featured lots of beautiful cars, music, and beer and wine booths. There were quite a few really nice Mustangs there, including DVMA members Vince Casey's 1968 GT350 and Mike Fontaine's former SEMA show car 1967 convertible with turbo small block power. A white '69 Boss 429 was also in attendance.

Biggest Little Car Show, Sept. 25

by Karen Davis

The Golden Hills Mustang Club hosted their 36th Annual Biggest Little Car Show on September 25th. Various Ford vehicles lined up on the Waterfront Plaza in Suisun City with the first cars entering at 7:00 am. Registration closed at 9:00 am and a few cars zoomed in just before closing time. Parking was right on the waterfront and there were lots of trees around the area. The Joy of Eating café (great breakfast choices) was taking names so everyone could have a great breakfast and coffee, or lunch, and enjoy the area.

The show's raffle was a benefit for Juvenile Diabetes Research Foundation (JDRF). This was a Participants' Choice Show, and everyone received a ballot. Golden Hills set up a great booth with club information, shirts, and an awesome array of prizes for the raffle.

The Show Program was beautiful and informative, and the dash card was meant to be framed and enjoyed for a whole year.

Vince Casey, with his 1968 Lime Green Metallic Fastback GT350 parked on the grass near the center of things. Harry Davis entered his spiffy and polished 2006 Mustang GT and parked in the waterfront area.

Harry and Karen met many old friends including Mike Weldon, Trudy Martin, Laura Mize, and Tim Riley in Suisun City. Mike won a coveted award.

Nostalgia Day Car Show, Sept. 26 by Karen Davis

Nostalgia Day cars include all makes, models, and vehicles of every year. The result is about 500 cars in beautiful colors and in excellent restored condition. Sponsors choose their favorites and those cars who were awarded a blue ribbon by sponsors were presented to everyone in a parade. There were many Chevelles in that parade!

Vince Casey, with his 1968 Lime Green Metallic Fastback GT350, arrived at 4:00 am to do a shift for the Altamont Cruisers, and found 12 cars already in line to enter. This year, the Show accepted only pre-registrations and that made day-of-show entry very easy. The parking was “wherever you want within the show boundaries.” Of course, the 4:00 am entries were parked on First Street and near vendors and food trucks. Livermore Police were present and involved, and Altamont Cruisers set up a first-rate show for everyone with a limited number of cars allowed to register. The show covers quite a large area of downtown and even included a Farmers

Market. Businesses and restaurants were all open for everyone to enjoy. Masks were of course required for indoor activities, but that didn't stop anyone from enjoying wonderful meals.

Harry Davis entered his 2006 Mustang GT but it didn't attract any blue ribbons even though it gleamed in the sun.

Spirit of the West MCA Show, Oct. 7-10

by Anne Haugrud

It may have been a slightly smaller show, but the recent MCA car show in Tucson, AZ had some really superb quality entrants. Many were from the western states where the weather is a little more kind to paint and tires, etc. John and Anne Haugrud were there along with Ron Freitas. John and Ron had judging duties again and ended up getting their Gold-level certification renewed in their respective classes.

The event, Spirit of the West, sponsored by the Old Pueblo Mustang Club of Tucson, AZ was held at the Casino Del Sol resort. The venue, outside on the show field, was great, although the host club was a little shorthanded when it came to getting cars properly parked in their categories. Everyone, from the MCA president on down pitched in to help and all was in place for the next day's judging. Ron was able to get his recertification and John, already recertified, ended up helping with some different classes to move the judging process along. The casino and hotel were beautiful outside and inside with restaurants, eateries and wonderful air conditioning!

This show, as great as the venue was, showed that it takes a LOT of hands to pull the event together and make it run smoothly. We'll be keeping that in mind as the time comes closer for the MCA show scheduled for May 20-22, 2022, hosted by our neighboring club, Golden Hills Mustang Club. We definitely want to support them by entering our cars in the show. There is a limited number that can be accommodated so mark your calendars!

Bullit Wins at Nostalgia Days, Oct. 8-9

by Tom Martindale

The Martindale Bullitt won its class at Novato's "Nostalgia Days 2021" show. You'll note I had the presence of mind to represent DVMA with my club hat. Much like an earlier win at the 2015 DVMA Brentwood show, we were caught flat-footed by yesterday's victory.

Chinatown Car Weekend, Oct. 2-3

by Keith Suzuki

The Chinatown Car Show was held on Saturday, October 2. It was put on by TPS Motorsports in Santa Clara to help raise money for the San Francisco Chinatown Association. Over two days, a minimum \$5,000 was raised in car entry fees alone.

I arrived at 9am to prep for a show opening at 11am. DVMA was represented with a hat displayed on my dashboard! Five Mustangs were in attendance, along with Lamborghinis, Ferraris, Corvettes, a McLaren, Audi R8's, and a Nissan GTR. The show opened with a Lion Dance and ribbon cutting. City Officials and Miss Vietnam Sacramento were in attendance too. Awards were given out, and the flat blue-wrapped Mustang GT won among the Mustangs in attendance.

The day went well until, as we were packing up and I left the driver's side door open, a young boy asked if he could look at the Mustang. We said "sure," and with that he sat in the car! I was packing the trunk when all of a sudden the car rolled back against the curb and my legs. The boy had released the parking brake! We politely asked him to vacate the car stating we had dinner reservations! At least he didn't push the Start button. Not quite the ending of the show we were anticipating. Luckily no one got hurt.

Overall, it was a fun (albiet long) day spent with family and friends.

Madness on Main, Sept. 11

by Erik Miller

Madness on Main in Martinez shuts down a big part of Main Street and several side streets for an annual car show. There weren't many Mustangs there - I guess DVMA members will have to fix that next year! I did spot a new Shelby GT 500 and a rare 1990 7-Up edition fox body convertible.

The club donated \$400, plus another \$242 in individual donations from club members, which brought the amount to \$642. On top of that, our board member and membership guru Ed Guldner very generously matched all of those donations, for a total of \$1,284 for the Food Bank.
