# The Feed Bag

A Diablo Valley Mustang Association Publication

**Ready to take a short drive, see some Fall color, and then have lunch?**

OK, everybody. Time to get up off the couch and into our Mustangs and reconnect with our club members (safely distanced, of course). Many of you know that you don't have to go back to Vermont and New Hampshire to see beautiful Fall color. The East Bay hills and neighborhoods are brimming with reds, yellows and oranges at this time of the year. John and I will be leading a short drive up into the East Bay hills on Saturday Nov. 21 to see if we can find some before all the leaves are gone for the winter. We will leave from the Country Waffles' parking lot and go up near Tilden Park to Inspiration Point to look out over the east side of the hills and then over to a lookout above the Rad Lab to see the view over the west side. From there we will make our way back to Concord to eat at a local restaurant for lunch. So, not a long drive and you should be home by early afternoon. Of course this all depends on the weather cooperating since we will be eating outdoors (restaurant to be determined). Things will be cancelled if rain is forecast. Sound like fun? I just think it will do us a world of good to get out and reconnect. We'll leave the Country Waffles' parking lot at 10:00 AM. Hope to see you there!

Anne Haugrud

# DVMA DISPATCH

## President's Message from Harry Davis

Our last meeting night on Oct 14 included a fun group of Mustangs in the Fuddruckers parking area. Dan and Natasha brought their beautiful new GT350, for all of us to drool over. Definitely a car to dream about!! You can get takeout and join us with a few chairs and a big circle on our next meeting night, Nov 11.

The weather will be cooling off before long, and restaurants will begin to have indoor dining, so we may not be in the parking area for our next meeting. But we all have to wait and see what the requirements and social distancing rules will be. Plan to wear masks for the foreseeable future. If it is raining, we will want to be inside or stay at home.

Adopt-A-Street will be held on November 14, with breakfast following at a location to be determined by those in attendance and also determined by what will be available. That event can be held with social distancing and waves to each other across space.

Have you renewed your DVMA membership? We are all trying to maintain our club structure and DVMA friendships for the future when we can get together in the same room. Check on old DVMA friends and invite them to our future events and meetings. DVMA will be there for you at that time.

Harry Davis

## YOUR MEMBERSHIP DUES MORE IMPORTANT THAN EVER

Diablo Valley Mustang Association has been around now for over 40 years and has been a huge part of many people's lives. The pandemic has put a "cramp in our style" over the last year and many of you may be feeling that you aren't "getting your money's worth" by renewing your club dues. Well, we are still alive and kicking and will need the financial support when we do resume normal activities such as meetings and our car show next Spring. This is no time to bail on our club and the folks who work so hard to make it a place to celebrate our passion for the Mustang. Renew today!

# When you have a new Mustang you just HAVE to show it off!

We all have our ways of dealing with this pandemic and the stress of being separated from family and friends due to Covid. Diablo Valley Mustang Association is no exception. Our favorite meeting place, Fuddruckers, is no longer a place that many of us feel safe in yet, so some members have gotten creative and set up an impromptu socially distanced meeting in the parking lot of Fuddruckers and the surrounding businesses. Our newest members, Daniel Neef and Natasha Coley, just couldn't wait for the "all clear" to show off their new "baby", a 2020 Rapid Red Shelby GT500! There were plenty of ooo's and aaahh's as we all looked it over. Daniel and Natasha were understandably proud and were more than happy to show off the Cobra light that hits the ground every time the door is opened. How cool is that! Thanks for bringing it to share with the club, Daniel and Natasha, and it was great getting to know you a little better since we haven't been meeting or socializing much since you guys joined. Hope to see you on the Fall Colors run this month!
