## Car Shows are Back & Museums are Open!

Exciting news for those of us tired of being cooped up at home: September is full of car shows. Just look at the event calendar on page 4 of this newsletter. There are three local shows on the 11th alone. In addition, places like the Blackhawk Museum are open to visitors.

DVMA member Keith Suzuki recently went to Blackhawk and shared these photos of an “Eleanor” actually used in the *Gone in 60 Seconds* remake, a beautiful red Thunderbird, and his son Ryan high fiving a cat! So, grab your mask and your hand sanitizer, and get out there and enjoy some sunshine, cars, and maybe even some taxidermied wildlife.

When I was in High School in the 1980's, first generation Mustangs were just used cars - cool used cars of course, but not expensive or rare. Check out these Auto Trader ads from back then:
