## DVMA Meet & Greet Picnic Was a Blast!

by Karen Harris

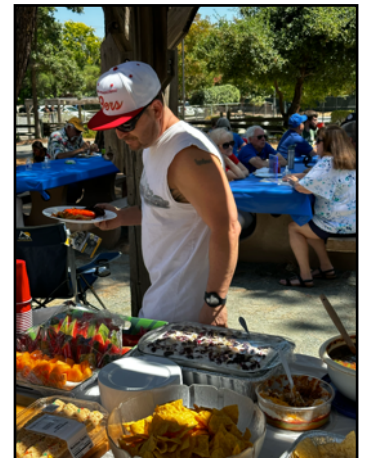

The DVMA Picnic intent was to meet our club members in a relaxed, fun filled atmosphere. We began by choosing the perfect park, where the parking lot was perfectly situated visibly right in front of the picnic area.

Victor and I arrived early on August 13th to set up the picnic area and begin barbecuing. Shortly thereafter 18 other cars ranging from 1965 to 2023 in varied colors started arriving and a total of thirty-six club members gathered at Rodger-Smith Park in Pleasant Hill. We ate good food, played a few games and best of all met members we hadn't seen before. Three of our attendees were our young DVMA mascots, Sammy, Franklin, and Estella – and our four-legged mascot Roma adding more sunshine to a beautiful day.

Our members brought beautiful pasta and potato salads, fruit trays, bean dip, salsa, guacamole, pico de gallo, bbq beans, lumpia, and some delicious desserts, to add to the barbecued sausage, hamburgers, and chicken.

Not only were we all admiring each other's cars but people throughout the park, as well as others just driving by, were looking in awe at the mini show n shine proudly made up of DVMA members cars.

The picnic ended on a great note – everyone left with a smile and spoke about the great time we all had. Intent accomplished!

# MCA Day at Mecum Monterey, Aug 19

by Bill Kinsey

13 DVMA members and three of their Mustangs joined up with our Mustang Club of America rep Robin Pausell and members of local Mustang clubs for MCA Day at the Mecum Monterey auction on August 19. The day's activities included a caravan from Contra Costa to the event site at the Del Monte Golf Course, with a stop in Gilroy to meet up with members from other MCA Mustang clubs. A carload of DVMA members joined us at Gilroy in happy coincidence.

Mecum Monterey is part of the larger Monterey Car Week, a decades-old event that includes racing, a concours or two, and the auctions. Upon arrival at the venue, Mecum Auctions provided us with a docent-led tour of the action at hand with a detailed explanation of the collector car auction business. Approximately 800 cars were on sale over the three days of the auction, and plenty of living examples were crossing the block to augment the docent's narrative.

After the docent tour it was off to the auction hall for the "bidwhattawhatta-fiftygrand-whattawhatta" and roaming the grounds to view the cars in the field. Lots of opportunity to get close up with the individual cars lining up for the auction block, and the arranged displays of car collections such as English sports cars, 1960s Ferraris, and the popular pre-war Ultra Luxe Packard-Duesenberg-Cadillac-Lincoln-Rolls. Mustangs aplenty for those so inclined.

Throughout the day DVMA members enjoyed the beautiful weather and surroundings, meeting up here and there in the shade. A bonus to that were some celebrity-sightings and the unplanned meeting of non-club friends and acquaintances that us gearheads are familiar with and fond of. Car people attending car events can almost always count on running into pals doing the same thing. On Saturday this happened not only on the grounds but also on the road both coming to the auction and going home from it. It's a great hobby.

# Cruise-In at Bob's Big Boy, Burbank

by Mark Vasgerdsian

A few weeks ago I took a cruise down to LA with my son for a weekend get away. While down in the Hollywood area we got together with a friend who owns a 2021 Ford Mustang GT, black on black. We met up at Bob's Big Boy in Burbank. He had told me about the weekly Friday night car show, but I didn't know what to expect. Boy, was I overwhelmed by what showed up at this event and the show did not disappoint!

Every Friday from 4 to 10pm, Bob's Big Boy in Burbank hosts Southern California's best Classic Car Show. Weekly car shows are a slice of Americana, but no place does them quite like Bob's. In the early afternoon, a buzzy retro scene begins to unfold as car enthusiasts cruise in looking for prime spots where the tower sign's red neon might reflect off their freshly polished hoods. People say, "It's American Graffiti come to life." Big-block Chevy's. Hot-rod Lincolns. Fabulous Fords. And much more! Happy days are here again thanks to Bob's Big Boy and the Road Kings of Burbank.

You never know who might show up, or what you're going to see. Brian Wilson, the genius behind the Beach Boys, has dropped by to check out the little deuce coupes he used to sing about. Jay Leno? Well he's more than just a regular. However, I did not see him the night I was there. I would have loved to see which of his cars he would have been behind the wheel of, pulling into Bob's.

If you are ever in the LA/Hollywood/Burbank area on a Friday night, be sure to make time for a stop at Bob's Big Boy. A great place to enjoy the cars while enjoying an old fashioned meal.

## 2024 Mustang GT First Drive

Motor Trend got some drive time behind the wheel of the all-new 2024 Mustang GT and had a lot to say about the experience. Check out the in-depth first impressions article and the 32 photos [HERE](#). Spoiler alert: the engine hasn't changed much (since it's already pretty amazing), but the steering, chassis, and interior are very different.

# DVMA Member's Mustangs

by Terry Herringshaw

I am a retired Mechanical Engineer and have always enjoyed working on classic cars. My wife and I have owned classic mustangs for a very long time. Our first mustang was a 1965, springtime yellow, 289 V8, 3-speed, convertible that we bought over 20 years ago.

When I retired in 2015, we sold that mustang to my brother-in-law since we planned to move and would no longer have a large 3-car garage. However, we soon realized that we missed the warm summer evening rides down Main St. in Walnut Creek. So, we tried to buy the Mustang back, but my brother-in-law would not sell.

We both wanted another 1965 so we started looking around and eventually found our current '65 on-line. My wife specifically wanted an automatic this time and the bright ragoon red was the deal maker. The mustang was one car out of a collection of many classic cars being sold off in Wichita, KS and I was able to negotiate the purchase over the phone. We did a lot of field verification, went through a VIN number decoding, and received video tapes of the mustang. We then contracted to have the car transported to us in Pleasant Hill. It took about a week to get it here and the neighborhood was in awe when the large car carrier came rolling down our small neighborhood street. Only 3 days after receiving the car, we were already showing it at the Shadelands Classic Car Show in Walnut Creek. Shortly after the purchase we joined DVMA and the Mustang Club of America.

Our mustang is an early 1965 convertible, ragoon red, 200 cubic inch six cylinder, automatic, and was manufactured in Kansas City with a build date of August 4, 1964. It was also optioned with factory air conditioning, power steering, and the deluxe "Pony" interior. It had apparently spent all it's time in and around Wichita and there is a sticker in the windshield identifying it as a "Wichita Wheels Featured Car".

I needed the car registered in California, and when I went to the DMV, I was given standard white plates with blue lettering. However, I wanted the classic California look so I used the new California DMV Year of Manufacture (YOM) license plate program, bought unregistered 1963 stamped vintage black and gold plates, and had them registered to the car. It was a fairly simple process.

I am 6'7" and classic mustangs have substantial leg room and head room. You can also modify the seat track rail system, like I did, and add even more leg room. Replacing the standard steering wheel with a slightly smaller wheel, also helps.

Winter weather usually keeps the mustang under cover in the garage, but once Spring comes, we spend a great deal of time enjoying driving it, especially those warm summer evenings still cruising down Main St.

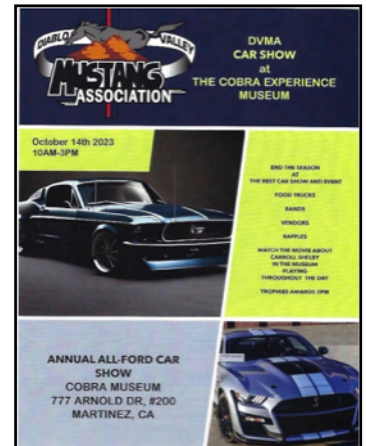

# DVMA Car Show Donations Needed

The DVMA Car Show Committee is in need of donations for the DVMA Car Show Give Away. We are looking for anything that participants would enjoy receiving.

Some ideas include:

- car merchandise
- bottles of car wash, car wax, etc.
- towels and sponges, buckets to use for washing cars
- bottles of wine
- collapsible chairs, tables to take to a car show
- car/automotive themed blankets/merchandise
- models, remote control cars, car related toys
- anything else you can think of

Also, if you have any connections with any businesses, please ask for a donation.

You can also approach any business that you think might donate and ask. Maybe dinners out/ restaurants, coffee shops, oil change places, ice cream shops, yogurt shops, etc. Gift cards to different places would be great....Target, WalMart, Amazon, Starbucks, Peet's or any where else you can think of.

Please bring all donations to the next DVMA meeting at Fuddruckers at 7:00pm on Wednesday, September 13 or please email Susan - [sdarcangelo1@yahoo.com](mailto:sdarcangelo1@yahoo.com) or Gail - [mgfbowl@comcast.net](mailto:mgfbowl@comcast.net) to have your donation picked up.

Please let us know if you have any donations for us so we can track the donations.

Any questions please feel free to email [Susan](mailto:Susan) or [Gail](mailto:Gail).

Thank You!
