FILL 'ER UP!

It was a perfect day for a drive through the Sacramento Valley backroads and John and Anne led a group of Mustangs to our first destination of the day, Reiff's Gas Station Museum in Woodland. What a place this is! The owner of this home that is located in the middle of a 1950s era suburb of Woodland has completely transformed the house and front and back yards into a diorama of collectibles that range from the 1920s through the 1960s. Mind you, this is his home and he lives in the middle of all this. Mark Reiff was out front to greet our group and began telling stories of how it all began and how it grew into what is now a real landmark in the town of Woodland and the greater Sacramento area. He says he has had thousands of different car club come through, themed parties by the hundreds and many weddings too. You'd think he would have kept the group in very specified areas of his home but no, we were free to roam around the whole place including his kitchen, bedroom and bathroom! He has re-created little snippets of memories of bygone eras in every corner of the place. Sharon Dearing got a little "blast from the past" when she spied a whole lunch counter re-creation that was very similar to one that her parents ran back in Iowa and that she used to bake pies every day to sell there. The prices shown on the menu board above the counter were right in line with what her folks charged for hamburgers and a slice of pie! As we prowled around this fascinating place we all ran into something that sparked a memory of our younger days. The owner, Mark, was absolutely wonderful in his hospitality and the great stories he had to tell about every piece and how he came to acquire it. You've just got to see this place to believe it!

After dragging ourselves away from this house of wonders we headed out to Woodland's old town area and had lunch in a historic building that had been built in the 1850s called Kitchen 428 where we all had a great meal and were fascinated with the eclectic décor which included antique doors hanging from the ceiling! Some of us left the group at this point and most headed out onto the beautiful winding roads of the Lake Berryessa area. There was still lots of water in the lake but the area known as the Glory Hole was not spilling down into the outlet below the dam this late in the season. That is really something to see in the Spring when they are trying to lower the level of the lake. Anyway, it was a great day and there seemed to be something for everyone. Join us next time!

Francine says that Betty Boop has been an unusual part of her life for many years. She runs into her everywhere!

Don't look now, Suzanne, but there's a BIG gun pointed right at your head!

Harry was reminiscing about the days he used to use engine analyzers just like this one back in the day

DVMA DISPATCH

President Message from Harry Davis

Thank you all for voting for me again to be the front man for 2019-2020, and also for your votes for Board officers. We have a great club and a great group of officers. Please let me know if you have input that the Board should consider. Congratulations to incoming and returning Board officers, who were elected at our August 14 meeting. Thank you for trusting me with the leadership of DVMA.

The complete list of officers who have been elected are within this newsletter. I am pleased to announce that Jason Ingle has been appointed to and has accepted the position of MCA representative for DVMA.

DVMA should continue to foster good relationships within our car club area and friends, specifically BAMA and Golden Hills. There are other car clubs in the Bay Area and I encourage our relationships with them to flourish also. But as everyone knows, traffic these days dictate how much we can all participate.

DVMA membership is priceless and most of our old friends are still with DVMA. If you as a member can't get to our meetings, we hope to see you at events. The website and newsletter are available for you. If you have ideas about tours or coffee meets, please let us know. The new Board members will want to hear from you.

DVMA has planned the annual Installation Event and 40th Celebration for Sept 22. Everyone is invited to join and participate in our fun celebration. And, we will find out who gets the two cam shafts!

YOU'RE INVITED

Sad News

We learned very recently that one of our former members, Carol Anderson, wife of Ken Anderson, passed away on August 13 . She and Ken had been married for over 50 years and have 4 children and several grandchildren. She'd been a nurse for 40 years and was an avid Warriors fan. Our sincere condolences go out to Ken and the family.

Message from outgoing president, John Haugrud

Well, it's "out with the old and in with the new", as they say, and the voters have spoken! Congratulations to our new slate of officers for 2019-2020. Our new officers are as follows: President: Harry Davis, Vice President: Matthew Hawkes, Treasurer: Dwight Moreland, Secretary, Tour Coordinator and MCA Rep (whew!): Karen Davis, Newsletter Editor: Anne Haugrud, Sergeant-At-Arms: Juan Renteria, Board Members: Lisi Dennis, Bobby Hubbel and Ed Guldner. Congratulations to everyone and thank you in advance for being willing

to help move our club forward into our 41st year!

I'd like to thank all the out-going officers and board members for your generous service this past year. Your dedication and willingness to step up when needed was *much appreciated* by me and the whole

club. We had some good meetings, a lot of enjoyable tours, and most of all, we had one heck of a car show! Thank you, everyone for allowing me to serve as the club's president this past year. It was a real privilege.

And September marks a real milestone for our Diablo Valley Mustang Association. DVMA turns 40! Since this is such a special anniversary, we are celebrating in a special way. We are having a great brunch at Blackhawk Grille in Danville on Sunday, September 22 at 11:30. The club will subsidize some of the cost of the meal for all members who's membership dues are paid up for the upcoming year. For those members. The cost of their meal is just \$15 per person. It's very important you pay up before or on September 11, the date of our next DVMA meeting at Fuddrucker's. That's when we need to give the restaurant a final head count. After our meal and some reminiscing about the last 40 years, we will be walking over to the the Blackhawk Auto Museum to wander around and enjoy the cars. We are all responsible for ourselves for the museum admission—Adults: \$15, Seniors (65 +): \$10. Hope we'll see you all there!
