Cobra Day Starts off Summer Right!

by Gail Vasgerdsian

Under the early summer sun of Saturday, June 7th, the roar of engines and the glint of polished chrome welcomed auto enthusiasts from across the country to the **Cobra Day Car Show 2025** at **The Cobra Experience**, an award-winning museum dedicated to the legacy of Carroll Shelby and the iconic vehicles that bear his name.

Held annually on the first Saturday of June, Cobra Day has become a must-attend celebration for fans of American muscle cars, particularly the legendary **Shelby Cobra** and other Ford-powered racing marvels. This year's event saw record-breaking attendance, with hundreds of pristine classic cars lining the venue, and hundreds more visitors flooding in to experience the horsepower-fueled history. Our DVMA family was well represented at this Cobra Day with 13 Mustangs either entered in the show or parked around the venue, and 30 members in attendance.

The Cobra Experience, nestled in Martinez, CA, transformed into a living, breathing showroom. Inside the museum, guests explored rare Shelby models, archival footage, engines, and racing memorabilia, along with a train exhibition. Outside, however, was where the action truly roared, with 150 privately owned Cobras, Shelby-powered vehicles, and Mustangs on display in the show lot, offering an up-close look at a lineage of engineering brilliance. From original 1960s 289 and 427 Cobras to modern-day Superformance

Continued on page 2…

Cobra Day, continued…

replicas, the gathering was a testament to the enduring allure of Shelby's legacy.

Car owners and fans alike mingled throughout the day, swapping stories, tuning engines, and admiring the meticulous restoration work on display. The atmosphere was relaxed but electric—equal parts car show, history lesson, and community reunion. Kids and adults posed for photos in front of their dream machines.

Proceeds from the Cobra Day event support The Cobra Experience's mission to preserve and educate future generations about the Shelby legacy. Rides in rare Cobras and other Mustangs helped raise funds to keep the museum's exhibits and outreach programs thriving.

If you missed Cobra Day 2025, consider this your early warning: enthusiasts are already counting the days until next year's event. With a perfect blend of muscle, history, and community, Cobra Day is more than just a car show—it's a full-throttle tribute to one of America's most iconic automotive stories. **Save the date: Saturday, June 6, 2026** for next year's Cobra Day at The Cobra Experience.

President's Message from Susan D'Arcangelo

Happy July, everyone!

Now that summer is here and the weather has been so nice, there's no excuse not to have those Mustangs shined up and out there in the sun. Wanna have some summer fun? What are you waiting for - let that pony out of the barn and join us for DVMA events, drives, breakfasts, or even just our monthly meeting at Fuddruckers. There's a lot going on in July, starting with DVMA's participation in both the Concord and Clayton 4th of July Parades, and lunch afterwards. See page 7 of this newsletter for all the events and details. Hope to see all of you out there!

I'd like to welcome all our new members that joined in June: Bill & Dalice Godwin, Dave & Shari Peck, Jennifer Plumley, and Richard & Lillian Schroder - welcome to DVMA! Plus, now that car show season is in full swing, I want to congratulate all of our DVMA members who have been attending shows and winning awards. Well done!

Susan D'Arcangelo

Calling all DVMA Members: Join the DVMA Car Show Committee!

After an amazing 2024 DVMA Car Show, the 2025 DVMA Car Show is already on the horizon! It will once again be held at the **Cobra Experience** in Martinez, this time on **Saturday, October 11**. That's only 132 days away! It's an awesome venue, and the museum will be open that day, too. We learned a few things last year and will strive to make this year's show even bigger and better.

If you would like to get involved in the planning and execution of this exciting event, now is the time: The next 2025 Car Show Committee meeting is on **Wednesday, July 9,** from **6:00 to 7:00pm** at **Fuddruckers**, 1975 Diamond Blvd in Concord. Yes - this is immediately before the DVMA general meeting. This is DVMA's biggest event of the year, and we need our members' help to make it amazing. We need volunteers for it all: from planning to parking, working with sponsors to judging, and everything in between. Together, we can make this year's car show the best one yet!

Ponies & Snakes, June 22

by Lisa Hauer

Several members showed up to represent DVMA at The Livery in Danville for BAMA's Ponies and Snakes show on Sunday, June 22. It was a beautiful day and there were a lot of great cars and car enthusiasts gathered for the show. The trio of Dave Edwards, Derek Schaffer and Tim Baldocchi managed to park all their Mustangs together, and Rick Collari with his 2001 Bullit was parked under a nice shady oak tree. Mark & Gail Vasgerdsain, Bill Godwin, and Vince Casey came out to show their support and have a good time.

Mark and Gail, as always, tirelessly promoted DVMA by handing out cards to let folks know about the club and our upcoming car show. To top off a great day, Derek took home a class award for his '67 coupe!

DVMA's Day Out: Mini Golf, Cruise, and Burgers

by Gail Vasgerdsian

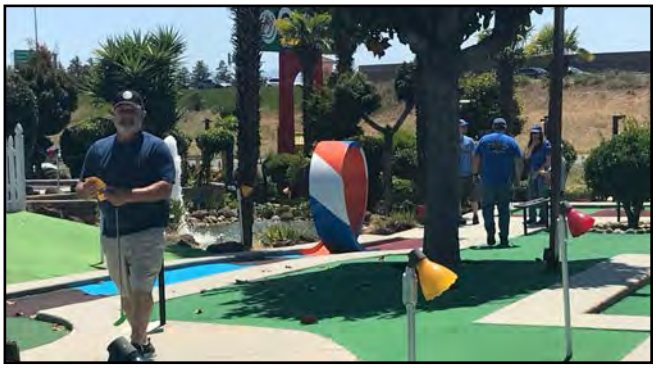
HOT, HOT, HOT.....That is what the DVMA Golfland and dinner event was! With the temperature reaching 95 degrees, our DVMA members still managed a fun filled day.

Tee Time at Golfland in Milpitas

DVMA Members traded horsepower for putters during a fun-filled outing at the Milpitas Golfland mini golf course on Saturday, May 31st. The event brought together Mustang enthusiasts and their families for a day of laughter and lighthearted competition.

Nine Mustangs and 17 DVMA members gathered in the HOT early afternoon. After cruising down Highway 680, we arrived in style with a gleaming lineup of classic and modern Ford Mustangs. Parking spaces were reserved for us, and the parking lot itself became a mini car show, drawing the attention of curious bystanders and fellow mini golfers.

Once inside the course, DVMA members navigated colorful obstacles, winding ramps, and challenging curves as they made their way through 18 themed holes. There was no shortage of fun moments—especially on the loop-de-loop and castle bridge holes, which proved to be both tricky and entertaining.



Cruising Calaveras Road to Pleasanton

After mini golf, the group embarked on a scenic cruise along Calaveras Road, a winding route known for its breathtaking views and challenging turns. The drive was a favorite among members,

Continued on page 6…

DVMA's Day Out, continued…

offering a blend of adrenaline and appreciation for the Bay Area's natural beauty. As one member noted, "It's gorgeous!!" highlighting the road's appeal to drivers.

Refueling at Bob's Giant Burgers

After dropping into Pleasanton from Calaveras Road, the day concluded at Bob's Giant Burgers in Pleasanton, a retro-style diner cherished by locals. Located at 4223 First St, this establishment has been serving up hearty meals since 1952. Members indulged in hearty burgers, crispy fries, and thick milkshakes, swapping stories and planning future events. The fast service and casual setting made it an ideal spot for the group to unwind and enjoy each other's company.

A Day to Remember

The DVMA mini golf and dinner outing was a resounding success, blending friendly competition with delicious food and great company. It was a reminder that while Mustangs are at the heart of the association, it's the shared experiences and friendships that truly drive the group forward. Come join us for a DVMA event and see how much fun it is!

Car Show Raffle Donations Needed

It's that time of year! DVMA is actively seeking donations for our car show raffle and goodie bags, plus looking for companies that would like to sign up as car show sponsors. DVMA members can help by taking a sponsor or donation letter to your bank, grocery store, mechanic, nail salon, or anywhere else you frequent. It's easy, many companies are happy to help, and it really helps make our car show a success. You can view, download, and print both the Donation Letter and the Sponsor Letter online.

Gail is looking for certain items to complete raffle baskets: Wine, champagne, & water glasses, Water bottles, Blankets/Throws for picnics, 49ers and Raider merchandise, tickets to games, Popcorn Popper, Halloween decorations/items, Hot Wheels: cars and tracks, remote control cars, models, games, and puzzles, Items with Ford or Mustang logos on them, Movie tickets, Gift cards, or anything else you can think of.

Plus, if anyone has a timeshare, tickets to an event, or other large prize they'd like to donate, DVMA would be SO grateful! Contact Gail at mgfbowl@comcast.net or 925-699-1464.

Red Hawk Casino Car Show, June 22

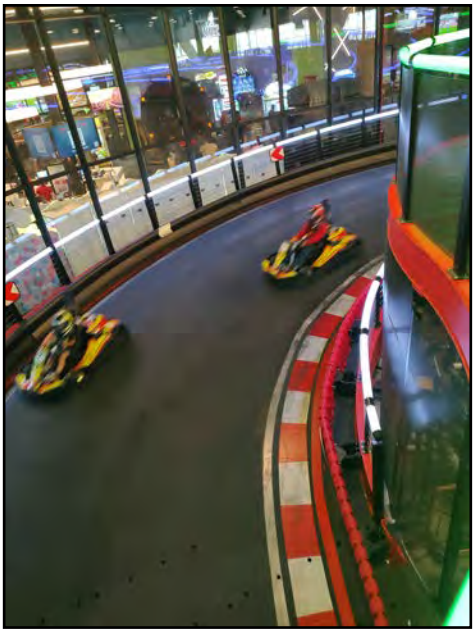
by Harry Davis

Up early on a Sunday, DVMA Board Member Matthew Hawkes and I left Concord at 7:00 am to get to the Red Hawk Casino Car Show by 9:00 am. Driving on I-50 towards Placerville, it's an easy drive, about 1-1/2 hours or so without traffic.

The show had about 100 cars of all makes and models inside a spacious garage building. There were some beautiful cars in great condition. Car owners were sitting near various cars and you could ask about their cars and history. The entry fee to the Car Show was a donation to the Pancreatic Cancer research, and all funds went to research.

Red Hawk has an inside arcade (no smoking allowed) with electric go-karts, mini-golf, bowling, two simulation race seats, and a simulated roller coaster. Matthew and I did the go-karts which encompasses three stories within the arcade. Exciting lighting was everywhere! All karts started at the same time for practice racing as we do at K1. The track was challenging, had excellent passing space, and offered very high speeds.

The arcade includes a café with sandwiches, pizza, snacks, and fish & chips. There was even an elevated upstairs area for spectators to watch the karts zoom by on the track. All in all, it was a nice car show for a great cause, with some go-kart fun thrown in for good measure. If you want to spend some time at a go-kart track with DVMA, sign up for our Go-Kart Showdown on August 9th, where we will take on Golden Hills Mustang Club at K1 Speed in Dublin. Hope to see you there! You can Sign up HERE.



DVMA Member's Mustangs

by Blake Hiatt, Erik Miller

When Blake Hiatt told his friend's dad, "If you ever sell your Mustang, I want to be first in line," he hadn't expected his phone to ring in March 2019 with a sale offer, right after writing the downpayment check for his new house. Luckily, the seller wasn't in a big hurry, and Blake's wife Amy is understanding and supportive of his Ford addiction.

This '66 A-code 289 coupe didn't look like it does in these photos back then - it hadn't been registered since 1991, the engine was out, tires rotted, and many of its parts were in boxes. But Blake had known the car for years and had a clear vision of what it could be. He trailered it, plus the engine and six crates of parts, up from Southern California and got to work. By late 2020 he had it stripped down and sent out for paint, got it back home, and slowly put it together to eventually get it driveable by Summer 2023. And by "put it together" I mean rewiring the whole car, swapping the auto trans for a 5 speed, adding air conditioning, installing 4 wheel disc brakes, a limited-slip differential, 17" wheels & tires, a whole new interior — well, you get the idea. The only thing that wasn't redone was the engine, which the previous owner had already built. Other than the body and paintwork, Blake did everything himself (with a little help from his friends) in his garage, all while juggling a demanding career and a growing family.

Once on the road, it didn't take long for the previously rebuilt engine to exhibit some serious issues. Out came the 289 again and off it went to a machine shop, to get built the right way this time. Reinstalled in 2024, the engine runs as it should now, and this pretty pony is more powerful and fun than ever. After hibernating for years in Utah and Southern California, this little red coupe is back on the road and back home, having been originally sold at Walnut Creek Ford in 1966.

SB-712 has Passed the CA Senate!

SB-712, which would exempt any vehicle at least 35 years old from smog testing as long as it is insured as a collector vehicle, has passed in the State Senate and has headed to the Assembly! This would make a big difference for owners of Fox bodies, Mustang IIs, and so many other cars built after 1975, when our current smog check cutoff is. Plus, this would be a rolling 35 year exemption, so more cars would qualify every year. This bill is being promoted by Jay Leno, and is even being referred to as "Leno's Law". Read the full text of the bill HERE.

Please take a moment to contact your California State Assembly Member and ask them to support SB-712. If you dont know who your Assembly Member is, you can find out by entering your address HERE. If we work together, maybe we can make California's smog laws reasonable for more of our classics.
