A Diablo Valley Mustang Association Publication
DVMA is proud to be a Mustang Club of America regional club.

DVMA Car Show is October 12th!!

This is it!! The 2024 DVMA Car Show is coming up on **Saturday, October 12**. We need volunteers for it all: from planning to parking, working with sponsors to judging, and everything in between.

Please come to the final Car Show meeting on October 9 at 6:00 pm.

The meeting is at Fuddrucker's, 1975 Diamond Blvd in Concord. Yes - this is immediately before the DVMA general meeting. If you can't make the meeting, but can still help, please contact DVMA President Susan D'Arcangelo at sdarcangelo1@yahoo.com. If you're able to help out at the last minute, just show up the morning of October 12 at the show. Your help will be needed and appreciated! This is DVMA's biggest event of the year, and we need our members' help to make it amazing. Together, we can make this year's car show the best one yet!

DVMA Breakfast, Sept 7

DVMA's monthly breakfast for September was held on Saturday, September 7th at the Heavenly Bistro. The parking there can be bit challenging, but it's all about timing. Once the delicious food arrives, however, all that is forgotten! 11 members got together and enjoyed everything from French toast to fish tacos, Lively conversations were had, often about - surprise! - Mustangs.

As a special treat, October's event includes an optional cruise to, and tour after, breakfast. See all the details on page 7. We hope you can make it to the next DVMA breakfast on October 5th. Want a bonus breakfast? Join us October 26th for Adopt-a-Street and come eat with us afterwards.

President's Message from Susan D'Arcangelo

Are you ready? It's that time of year again - our DVMA End of Summer Car Show is on October 12. It's going to be a good one this year! We have a few spaces left, but if you haven't registered your car, you're running out of time! At this point it's best to email me if you want to get registered.

Just a reminder that we also need as much help as possible on the day of the show. Set up starts at 7am. We have added a final car show meeting at Fuddruckers at 6 pm (right before our regular general meeting) on October 9th. If you can help with the car show, please reach out to Gail or myself for a free staff shirt to wear that day.

We have been having so much fun hanging with all the club members at cars and coffee, car shows, the DVMA breakfast, and fun drives. Our Tour Coordinator, Gail, has a full October planned for us, so keep an eye on our event calendar!

In other news, I was sitting around at work one morning and I decided to check the DVMA email. There was an email from a man name Alan asking if we knew anyone that had a Mustang Bullitt replica that matched the one they were using to film a movie in the UK. They needed to do some more filming over here in the States. I called immediately! He sent me photos, I sent him photos, and there it was: My car was exactly what they needed for filming to continue here.

The rest is history: I drove my car down to Monterey, was put up in a hotel, and then the next morning was on a film shoot for the entire day. I drove to the location, went inside the café where they were filming and feeding us, sat down, and this lovely woman said "Hi. I'm Madeline and I'm going to be driving your car." Yes, she's the actress that would be driving my car in the movie. The cast and crew were very careful and respectful with my car, and believe me when I say that I never let it out of my sight! Some filming also took place in Oakland, and then back down at Hurricane Point on the beautiful coast of Highway 1 near Big Sur.

The movie would be classified a Rom-Com, and the main characters, a man and woman, are car enthusiasts that have a relationship. She is a mechanic and drives a 1967 Bullitt replica (my car!), and he drives a 1972 Bronco and a 1958 Mercedes. I can't disclose any more information at the moment but what a fun experience it was to be a part of. More details will follow once the movie is released!

While in Monterey, I also got to meet up with eight other DVMA members for dinner at the Tree House Café. They were down there doing the Monterey overnight cruise on the same weekend that the filming took place.

Great things happen when you're part of a fun car club like ours!!

Stay safe out there and enjoy your rides!

DVMA Monterey/Carmel Overnight, Sept 15-16

by Gail Vasgerdsian

Three Mustangs and a Corvette departed from the Livery in Danville on the dreary, cold morning of Sunday, September 15th. Not even the uncertain forecast in Monterey could stop this group of 4 cars from heading out on our overnight cruise to Monterey. And what a trip we had! The Mustangs contained Mark and Gail Vasgerdsian, JT and Danielle Aquilina, Dave and Diane Edwards, while the Corvette had Chuck and Dottie Niethold, who opted to leave their Mach E at home. What a sight seeing this caravan cruising down the highway all together. You couldn't miss us! We didn't miss a beat staying together on the highway. The only

close call we had was when we went to make a lane change and a Black Mustang GT came out of nowhere doing 100+mph, cutting in and out of lanes, and almost took JT and Mark's Mustangs out. Other than that we made great timing cruising to Monterey.

We arrived at The Hyatt Regency on the Del Monte Golf Course in Monterey early. We weren't sure if we were going to be able to check in, but to our amazement the front desk staff at The Hyatt reworked our rooms. They upgraded all the rooms to have golf course views and balconies, and we were able to check in very early. "Thank You" Hyatt! What a way to start our very full day in Monterey and Carmel.

After checking in and a quick break in our rooms, it was time to head out for a drive through the Carmel Valley to a stop at The Folktale Winery. Pulling up to Folktale Winery it looks like you are arriving at a castle. The grounds are beautiful and very welcoming - surrounded by a wine barrel court yard and grape vines. We had a large table for 8 and enjoyed listening to live music during our lunch. We sampled a selection of flat breads, tacos and a charcuterie board along with tasty glasses of wine. It was a very relaxing lunch with great conversation with time to get to know our traveling companions and review the rest of our trip.

Speaking of the rest of our day, next up was the ladies request... time on Ocean Avenue in Carmel to do some shopping. We left Folktale and headed to Carmel. It took us a couple of minutes to find parking for all of us in Carmel, but we were able to park all of the cars within a block of each other. The next few hours were spent walking up and down Ocean Avenue, in and out of our favorite shops. Even the guys checked out shops that interested them. The highlights were a candy shop and the Carmel Bakery. It was great exercise walking the hills of Ocean Avenue after the drive down in the morning.

Continued on page 4...

Monterey/Carmel Overnight, continued...

Dinner time came and we had reservations at the Tree House Café, just two blocks off of Ocean Avenue. We had a private wine room for our group. We added one more DVMA member at dinner: Susan D'Arcangelo, DVMA president, who had driven down to Carmel to have her 67' Bullitt filmed the next day for a movie. Again great conversation and much laughing took place during dinner. Dinner was delicious with a selection of fresh sea food, Mediterranean food and American food. With dinner concluded it was time to head back to The Hyatt.

After a quick break in our rooms we all meet around a very cozy, warm fire pit. Time to relax, more great conversation and stories. We were also serenaded by Danielle playing her ukulele. What fun! Thank You, Danielle for sharing your talent with us. The finishing touch of the night...S'mores! Time around the fire pit flew by and the next thing we all knew it was 11:00pm. We had had a very full day with a great group of DVMA members.

Monday morning brought breakfast at The Hyatt. It also brought rain and wet roads. It rained off and on, along with overcast skies and misty weather. We had planned to do the 17 mile drive in Carmel, but with the roads being wet we decided against the drive. So the Corvette took off first, one Mustang decided to stay in Carmel a little longer and two Mustangs soon took off together. The drive back was again a easy drive. By leaving a little earlier, we missed the commute traffic and arrived back home in good time.

What a GREAT time we had on our DVMA Monterey Overnight Trip. Thank You to the couples who joined us for this quick, but enjoyable trip. It was great to get our cars out for a drive. Looking forward to planning another trip in spring to Monterey and Carmel with different stops and more fun! Hopefully, even more DVMA members can join us next time.

Upcoming DVMA Event: Cruise, Breakfast, and Festival

DVMA Tour Coordinator Gail Vasgerdsian has set up a special three part Fall treat for our DVMA Breakfast on October 5th:

8:15 am: Meet at Kinder's, 1776 Arnold Industrial Way in Concord, leaving at 8:30 to cruise together to breakfast in Brentwood.

9:00 am: Breakfast at Dad's Cafe, 1135 2nd St, Brentwood

After breakfast, cruise to Three Nunns Farm for their Fall Harvest Festival. They have corn mazes, a melon cannon, rides, plus pumpkins, pumpkins, and more pumpkins!

We hope you can join us for all or part of the fun this Saturday. If you will be meeting at Kinder's, please RSVP to Gail at mgfbowl@comcast.net so she can get a headcount.

Upcoming DVMA Event: Adopt-a-Street, October 26

October 26th is DVMA's Adopt-a-Street day, when we meet in the parking lot of Seafood City, 2030 Diamond Blvd in Concord at 8:45 am to rendezvous with a representative from Concord PD. They give us vests, gloves, and grabbers and we spend an hour tidying up Diamond Blvd - you never know just what you'll find! Hubcaps? —of course. Scale model of a bridge? —yes, it's happened. Back to the parking lot with our bags of "treasure" around 10:00, and then we'll all go out to breakfast at Black Bear Diner afterwards to reward ourselves for helping make Concord a little more beautiful. Please come out and join us on the 26th, and bring a 5 gallon bucket - it makes managing your trash bag much easier. Hope to see you there!

Upcoming DVMA Event: Sim Racing, Sonoma Style

Want to compete on the racetrack against other DVMA members without buying a race car, helmet, etc, and with no possibility of crashing your actual car?

You're in luck - Hot on the heels of the DVMA Sim racing contest that was run (virtually) at Laguna Seca, Drive Simulations in Concord is hosting a new DVMA racing series from now until November 16. Simply go to www.drivesimulations.com, register your name as a DVMA member, and schedule a drive time before November 14. Cost is \$25 per half hour of racing. Once you're at Drive Simulations, run your qualifying laps ONLY at Sonoma Raceway (the long course) and ONLY in a Mustang GT3 car. Record your fastest lap time and email or call Harry Davis to report it. You can go as many times as you like from now through November 14, then the 8 fastest qualifying drivers will be contacted and a final race day on November 16 is set up for the top 8 to battle it out for the win! Feel free to contact Harry if you have any questions at 925-768-4903 or harrykaren@comcast.net.

Disaster Strikes - Again!

Unbelievably, the program I use to create the newsletter has now crashed twice - both times on the last day of the month, aka the day before I publish - and destroyed the entire newsletter file. I really don't understand how it's possible for lightning to strike twice like this, but I'm SO over it. If anyone knows of some good (and reliable) publishing software for the Mac, please let me know. Until then, I've been saving a duplicate copy of my file every ten minutes or so...

So, I apologize if the last two newsletters seem a little sparse or contain errors, since I had to recreate them from scratch. I promise you that the original versions were amazing!

DVMA General Meeting Minutes, Fuddruckers, Concord, CA. September 18, 2024

DVMA's General Meeting was called to order at Fuddruckers, Concord, CA on September 18, 2024 at 7:00pm by President Susan D'Arcangelo.

Reports:

President: Susan D'Arcangelo - Susan reported that she was contacted by a movie-making group that needed a 1967 Bullitt car for a rom-com-style movie that they were filming in the Carmel area. She allowed the use of her car, with her heavy supervision, and reported a positive experience with the film crew and their respect and careful handling of her car during the shoot.

Discussion of upcoming car show needs—parking, judging, setup, more donations and some major raffle prizes are still needed. Everyone should be asking the businesses in their sphere for something. Time is short now! If anyone feels a need for a walk-thru of the car show site, call Susan to join her when she goes out with Emily from Cobra Experience prior to the show.

Past President: Harry Davis - Harry reported on the upcoming go-cart competition with BAMA at K1 Racing. He described how there will be groupings according to driving ability and skill. Currently he needs 8 more drivers to fill the second round of competitors.

He also encouraged those who wish to compete in the Drive Sim simulation competition to get over to Drive Sim and get some practice laps in so they can qualify for the final competition. Qualifying laps must be done by November 14.

Vice President: Tony Eistetter - Tony is happy to be the new VP.

Secretary: open position - Anne Haugrud was recruited to take notes for this evening's meeting

Treasurer: Chuck Niethold - Chuck was absent from this meeting but his proxy, wife Dot, was given some figures to present. DVMA finances are good. Further expenses from the car show are still pending.

Membership: Ed Guldner - Ed was absent but sent numbers for members, membership, cars and MCA members to William Escoto who reported small gains in each area.

Newsletter: Erik Miller - Erik apologized for the late newsletter this month - his program crashed and the file was lost.

Webmaster: Julie Kinsey - Julie was absent and had no report

It was suggested that Julie change the "last date to register for the car show" be changed to October 5 to allow for the greatest number of registrations.

Tour Coordinator: Gail Vasgerdsian - Gail reported that the first visit to Heavenly Bistro for the September monthly breakfast was well attended and the food was great but parking was very problematic. Next month's breakfast will begin at Kinder's parking lot in Concord and cruise over to Dad's Cafe in Brentwood for breakfast.

She also reported that the 4 couples that went to the overnight cruise to Carmel/Monterey on Sept 15-16 had a wonderful time and that the Hyatt was very accommodating and welcoming for the time they were there.

Upcoming events such as the ride up to the Sacramento car show, movie night at Cobra Experience, and a drive to a fruit farm in October for Fall activities were mentioned and. Info is in the newsletter activities schedule. Also of note is the DVMA Holiday Party on December 14 at the Martinez Yacht Club. Details to come.

Sergeant at Arms: Mark Vasgerdsian - No report.

Hospitality: William Escoto - William says he is working on getting an accurate list of birthdays and anniversaries

Board members: Anne Haugrud, Matthew Hawkes, Pat Hicks - No report

The meeting was adjourned at approximately 8:10pm by Susan D'Arcangelo, President

Minutes submitted by Anne Haugrud.
