DVMA is proud to be a Mustang Club of America regional club.

Happy 4th of July, DVMA Style!

by Gail Vasgerdsian

The Diablo Valley Mustang Association revved up the Fourth of July festivities this year with a proud and spirited presence in both the Concord and Clayton Independence Day parades. Showcasing a stunning lineup of classic and modern Ford Mustangs, the club brought American muscle, local pride, and community spirit to two of the East Bay's most beloved holiday celebrations.

DVMA members organized into two groups to ensure our presence in both parades. Six Mustangs participated in the Concord parade, while two more ponies represented us in the Clayton parade. Concord featured a lineup of beautifully maintained Ford Mustangs, ranging from vintage classics to modern-day powerhouses, all decked out in red, white, and blue to honor the nation's birthday. Meanwhile, Clayton featured a Springtime yellow '65 survivor and a 2012 white GT with blue stripes. Crowds along the parade routes cheered as the Mustangs cruised by, their engines rumbling in harmony with the spirit of the day.

If all of that wasn't enough, DVMA members Terry Herringshaw and Pattie McNamee drove Congressman Mark Desaulnier in both the Orinda and Danville July 4th parades in their 1965 convertible. Their bright red Mustang ferried the Congressman with the top down while flying their DVMA flag! Big thatnks to Bill Kinsey for organizing this last-minute part of the day's DVMA participation.

Following the morning events both participants and other club members gathered at Kinder's for a well-

deserved lunch. This post-parade lunch has become a big annual get together, and this year was no exception with 19 members gracing the table at Kinder's. Over hearty sandwiches, the meetup was filled with laughter, stories from the parade routes, and the camaraderie that makes DVMA more than just a car club — it's a community.

The Diablo Valley Mustang Association's participation in the July 4th celebrations once again demonstrated our commitment not only to preserving and enjoying classic American cars but also to supporting and engaging with our local communities. With chrome polished and spirits high, DVMA made sure the red, white, and blue flew proudly from behind the wheel of our Mustangs!

As the club looks ahead to more events throughout the year, the success of this Fourth of July celebration stands as a testament to DVMA's active role in the community and its enduring passion for all things Mustang.

President's Message from Susan D'Arcangelo

Well, it's that time again — DVMA officer elections!

I want to sincerely thank each and every one of you for the opportunity to serve as President over the past two years. It's been an honor and a privilege to lead such an incredible group of people. But now, the time has come to pass the torch and look ahead to new leadership. Below, you'll find a list of all the candidates who accepted nominations for DVMA positions. Keep an eye out for the election email, and please take a moment to cast your votes.

We are fortunate to have so many outstanding members who help make this club what it is —without each of you, there would be no DVMA. Speaking of members, I'd like to welcome all the new folks who joined us in July: Mario & Sheri Correa, David Dadiomov & Jenna Fabrique, Ravi Shankaran, and returning member Mike Fontaine.

Thank you again for your trust and support.

Wishing you all happy Mustang trails ahead!

Warm regards,

Susan D'Arcangelo

Movie Night Cancelled - Dinner Cruise Saves the Evening

by Gail Vasgerdsian

Members of the Diablo Valley Mustang Association were looking forward to a fun-filled evening at the Cobra Experience outside movie night on June 28th. Unfortunately, the event was unexpectedly cancelled. Hope we can reschedule for another evening.

But in true DVMA fashion, the club quickly turned a letdown into an opportunity for another kind of adventure. Rather than going our separate ways, members pivoted with a spontaneous plan: a scenic dinner cruise up to Gott's Roadside in St. Helena.

Nestled in the heart of Napa Valley, Gott's is a local favorite known for its gourmet burgers, hand-spun shakes, and relaxed retro vibe—perfect for a car club detour. Five Mustangs and five couples made the beautiful drive through wine country, roaring along Highway 29 and onto the Silverado Trail. The route itself became part of the evening's charm, offering winding backroads, vineyard views, and of course, plenty of admiring glances from fellow motorists. The weather was so spectacular that at one point of the cruise we pulled over and 3 convertible tops went down and we were back on our way. We even spotted a survivor... a white 65 coupe on the back of a tow truck, along with many other Mustangs during the evening cruise.

At Gott's, the group parked together. When we pulled in there were parking spots right

in front under shade. Lined up in an impromptu Mustang showcase that turned just as many heads as any curated car show. After ordering dinner DVMA members found a nice shady table in the back dining area of Gott's. Dinner was casual and lively, with members chatting over burgers, chicken sandwiches and garlic fries while sharing stories about their cars and club memories. It also gave us an opportunity to get to know each other on a personal level

Though it wasn't the movie night we originally planned, it turned into a memorable summer evening filled with camaraderie, great food, and the unmistakable rumble of DVMA pride. Sometimes, when plans stall, the drive really does become the destination. Thanks to everyone that joined in for the dinner cruise!

DVMA at Le Pit's American Car Day, July 6

by Gail Vasgerdsian

The sweet sounds of American horsepower echoed through the streets of Lafayette on Sunday, July 6th as the Diablo Valley Mustang Association rolled into Le Pit Club's Cars & Coffee for a special American Car Day celebration. This annual event, held at the popular car enthusiast meet-up spot in Lafayette, drew a diverse crowd of classic and modern American muscle, but it was the Mustangs that stole the spotlight.

DVMA members arrived early, proudly showcasing a stunning lineup of Ford Mustangs ranging from vintage classics to high-performance late models. A line up of a red 2017 Saleen Convertible, a white 2014 Convertible and a blue 1965 Coupe represented DVMA and greeted participants at the coffee and donut area. Another group of 6 Mustangs were parked just across in the parking lot and a few late arrivals slid into spots throughout the levels of parking lots. All in all DVMA had 18 members,12 Mustangs, and of course our mascots Roma and George representing our club. A special "Thank You" to Simon and his team from Le Pit for organizing this American Car Day and reserving spots to showcase our DVMA Mustangs. The group attracted plenty of attention from fellow enthusiasts and curious onlookers, with hoods popped and stories shared over coffee and chrome. The cars gleamed under the morning sun, each one a tribute to the enduring legacy of the American pony car. Thanks to the socializing of DVMA members the club was able to corral 2 new memberships for our club during this cars and coffee event.

After a vibrant morning at Cars & Coffee, seven Mustangs from the group fired up their engines and exited the parking lot with help from Lafayette's Police Department, who stopped

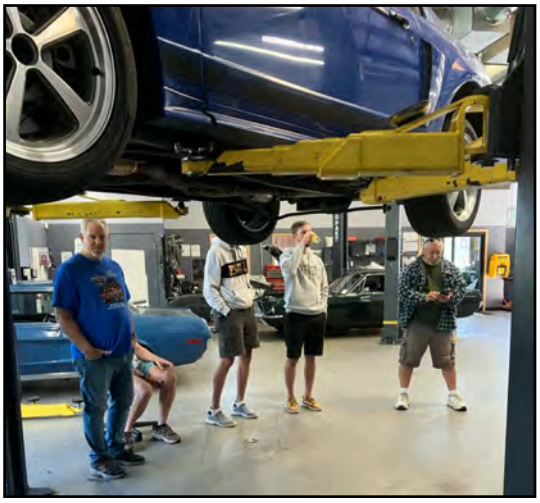
traffic on Mt. Diablo Blvd. to allow all 7 Mustangs to exit together. We embarked on a spirited cruise through Lafayette and Rheem, winding our way along scenic roads toward Moraga. The short cruise culminated at Ranch House Café, a local favorite known for its hearty breakfasts and welcoming atmosphere. The cruise wasn't limited to Mustangs—along for the ride was a classic El Camino, a sleek Buick, and a vintage Fairlane — all part of the extended American car family.

At the Ranch House Café, 10 DVMA members sat down to enjoy a relaxed breakfast/lunch alongside seven other American car owners who joined the post-cruise meal. The restaurant buzzed with conversation about engines, restoration projects, and upcoming events, cementing the sense of camaraderie that defines the American car scene.

Events like these underscore the mission of the Diablo Valley Mustang Association to bring together enthusiasts who appreciate the heritage, performance, and culture surrounding the Ford Mustang. Whether it's a '65 Fastback or a 2024 GT, we celebrate them all! DVMA continues to be an active participant in Bay Area automotive events and looks forward to many more opportunities to cruise, connect, and celebrate the American car legacy.

“Garage Day” at Top Shop, July 19

by Gail Vasgerdsian



On the morning of Saturday, July 19th, DVMA members gathered at Top Shop, the premier automotive service center owned by fellow club member Frank Powell, for a special "Garage Day" hosted by Frank. This event wasn’t just another car meet — it was a day dedicated to education, maintenance, and camaraderie among Mustang owners and DVMA members. With lifts in the air and tools in hand, attendees had the rare opportunity look under cars, ask questions, and receive expert guidance from Powell and other DVMA veterans. From vintage classics to the latest high-performance GTs, Mustangs of all eras lined the lot outside Top Shop. Inside, the atmosphere was exciting and highly interactive. Topics covered during the day included: basic maintenance tips and tricks, proper detailing techniques to keep your paint gleaming, suspension and brake inspections, tire care and alignment advice, and engine diagnostics and performance tuning

With the help of Frank and other experienced DVMA members’ insights into working on Mustangs tailored to each Mustang model were offered and questions were answered. Whether it was how to properly torque lug nuts or decode a check engine light, this was a golden opportunity for new and seasoned owners alike to learn from the best.

Frank Powell, owner of Top Shop and a long-time DVMA member, opened his facility to the club with enthusiasm. "I love helping people understand their cars. Mustangs are more than just vehicles — they’re a passion." Garage Day was about giving our members the knowledge and confidence to maintain and enjoy their cars even more, bringing that passion to life in a way that’s practical, educational, and fun. We’re grateful to Frank for hosting DVMA members — it’s events like this that keep our club strong and connected.

The day wrapped up with a casual lunch from Kinder's provided by Frank. During lunch, owners swapped stories and admired each other's rides. Members left with a deeper appreciation for the mechanics behind the wheel.

DVMA plans to continue Garage Day as an annual event given the strong turnout and positive feedback. For those who missed this one, keep an eye on the DVMA calendar — the next opportunity to dive into all things Mustang might be just around the corner.

DVMA Breakfast at Heavenly Bistro, July 5

by Gail Vasgerdsian

On the pleasant morning of Saturday, July 5th, nine DVMA members gathered at the Heavenly Bistro for our monthly breakfast meet-up. The event, held on the first Saturday of each month, continues to bring together our car club to share a passion for our classic and modern Ford Mustangs.

Located on the edge of Walnut Creek, Heavenly Bistro served as the perfect setting for this casual and friendly get-together. Members arrived in a variety of Mustang models and all were able to park next to each other in the very small parking lot. This sight turned a few heads in the parking lot and sparked conversation among onlookers. From vintage pony cars to the latest high-performance models to even a Mach E, the gathering showcased the breadth of Mustang history and the dedication of the DVMA members.

As always, the breakfast was more than just a meal. It provided an opportunity for members to catch up, discuss upcoming events, share restoration tips, and swap stories about their cars. The group also took time to discuss plans for upcoming shows, and potential drives and events. Many stories and much laughing were included during the morning breakfast.

This month's breakfast came with a delightful twist — members had the chance to meet Tammy, the gracious owner of Heavenly Bistro, and her brother, who was also on-site helping serve our group and take our group picture. Their hospitality made the morning feel even more special. In the course of friendly conversation, members learned that Tammy is also the owner of the iconic Giant Chef in Pleasant Hill — a beloved local spot known for its hearty American meals and retro diner charm. That connection sparked a great idea: Tammy expressed interest in hosting a DVMA car show at Giant Chef in the near future. The idea was warmly received by the attending members. The prospect of lining up classic and modern Mustangs in front of Giant Chef — with its nostalgic 1950s vibe — sounds like a perfect match. Not only would it offer DVMA a new and exciting venue, but it would also bring car enthusiasts and community members together in a fun, family-friendly environment.

With good food, good company, and a shared love of Mustangs, the DVMA's monthly breakfast continues to be a favorite tradition among its members. The club looks forward to welcoming more participants at next month's gathering.

Stay tuned for updates on the potential Giant Chef car show, and make sure to join the next breakfast to be part of the action!

SB-712 has Passed the CA Senate!

SB-712, which would exempt any vehicle at least 35 years old from smog testing as long as it is insured as a collector vehicle, has passed in the State Senate and has headed to the Assembly! This would make a big difference for owners of Fox bodies, Mustang IIs, and so many other cars built after 1975, when our current smog check cutoff is. Plus, this would be a rolling 35 year exemption, so more cars would qualify every year. This bill is being promoted by Jay Leno, and is even being referred to as "Leno's Law". Read the full text of the bill HERE.

Please take a moment to contact your California State Assembly Member and ask them to support SB-712. If you dont know who your Assembly Member is, you can find out by entering your address HERE. If we work together, maybe we can make California's smog laws reasonable for more of our classics.
