

Hello business owner / manager,

The Diablo Valley Mustang Association is excited to present its **Annual Mustang and All-Ford Car Show** hosted by The Cobra Experience Museum in Martinez on **October 11, 2025**, from 10:00am to 3:00pm. This show will feature some of the most beautiful Mustangs and Ford powered cars in the Bay Area. We are targeting 150+ show participants and expect hundreds of car enthusiasts and spectators to attend.

We are looking for donations from businesses to help DVMA make this car show a smashing success. Your donation to this DVMA car show will benefit your company by exposure on our website, in our monthly newsletter, and in our car show program and other promotional materials.

DVMA is looking for two types of donations for our car show:

Raffle Items: We would be most appreciative and happy to receive any donations for our show raffle. Products from your business, gift cards, gift baskets, or any item that we can include in the raffle would be appreciated.

Goodie Bag Items: Promotional items with your company name such as water bottles, towels, mugs, pens, magnets, or other souvenirs to be included in the participants' goodie bags are also needed. We are planning to stuff 150 goodie bags for the car show entrants, but any number of items from your company will help us to complete the goodie bags.

In addition to item donations, there are a limited number of sponsorship opportunities available. If your company is interested in becoming a show sponsor, please contact one of the DVMA representatives listed below.

Contact Mark Vasgerdsian @ 415-850-9516 or Gail Vasgerdsian @ 925-699-1464 with any questions or if you would like to have any donations picked up.

Thanks for your support!
