Strategic Initiatives

- Installation of rubber mats for the aisleway and classroom areas of the barn to reduce dust
- Designated recipient of the Brown County Jeep Poker Run Fundraiser raising nearly \$18,000
- The first decline in actual sessions completed in 5 years. While we had 618 sessions scheduled, we had to cancel 218 (45%) of them due to inclement weather. Resulting in 337 sessions being offered in 2025. Had our indoor arena been funded and built, we would have demonstrated 5% growth over 2024.
- Charity Partner for the Seen Through Horses Campaign
- Expansion of our Horse Powered Reading program for participants
- Continuing education opportunities for our facilitators to strengthen their facilitation skills
- Designated recipient of the Solution for Life, Jessie A. Westlund Memorial Scholarship Fund
- Addition of two shelters, for the horses, in our pastures
- Received grants from the Smithville Charitable Foundation, The Providence Foundation, Brown County Community Foundation, South Central REMC, St. David's Episcopal Church and the Johnson County Community Foundation
- Served on several panels for non-profit and leadership discussions
- Two of our facilitators were requested by PATH Intl. (Professional Association of Therapeutic Horsemanship) to be coaches for their Innovations Circle program
- Growth in our fundraising and development initiatives
- Expansion of our Entrepreneur Executive Coaching Program
- Continued development of our relationship with Cummins through funding and volunteer opportunities as well as participation in their employee We Care Fair
- Hosted Leadership Brown County group as part of their curriculum
- Journey to Leadership teambuilding workshops for The Wedding Studios Executive and Management teams
- Gateways for Groups R3 retreat

85% of our Hope for Hearts program participants received donor-funded financial assistance for their session fees, making it possible for them to find hope and confidence, despite their inability to pay for their sessions.
