

## Hearts of Hope Monthly Donors

Please consider becoming a monthly donor to support our Hope for Hearts Program. By simply choosing a partnership level, you can further ensure the quality care to our horses and allow us to provide sessions to individuals at a discounted rate. Your monthly gift will provide aid for the following:

- Countless one-on-one interactions with individuals, our horses and a facilitator
- Unlimited opportunities for individual growth and learning
- Supportive care for our horses
  - Daily hay and grain
  - Vitamins and supplements as needed
  - Regular preventative vaccinations
  - Professional farrier trimming and shoeing as needed
  - Veterinary care and services

Our horses, each with their own history and story, are at the very core of what we do here at Hope for Hearts Horse Farm Inc. The experiences of each horse gives them the ability to reach out to people in a unique way, making them what we call our “equine facilitators.”

For the horses who call this place home, Hope for Hearts Horse Farm offers a safe haven, a gentle hand and a life purpose. Our training methods are based on the theories of natural horsemanship, which utilize quietness and patience to communicate with horses in their own language. It is our aim to develop trusting relationships with these magnificent creatures.

The individuals who come to our farm for restoration, renewal and hope, through our Hope for Hearts Program, find a safe and peaceful place utilizing our “equine facilitators” who are a symbol of triumph and hope. These “equine facilitators” help individuals break through barriers and overcome obstacles in order to build relationships, develop leadership skills and discover hope and purpose.
