Introduction

Thank you, for becoming a sponsor for Hope for Hearts Horse Farm.

Hope for Hearts Horse Farm Inc is a 501 C 3 Non-profit charitable organization (EIN #81-3652716). We rely on the funding support of individuals, businesses, foundations and partner organizations to make our programs possible.

Hope for Hearts Horse Farm is located just south of Morgantown, IN in northern Brown County. We provide services to individuals from Johnson, Brown, Marion, Morgan, Bartholomew and Monroe counties. Our mission is to provide a peaceful place of restoration and renewal through unique opportunities with horses that strengthen and develop lives.

Sponsorship provides us with funds to provide care to our horses as well as funds for the children, teens, families, veterans and adults that need our Hope for Hearts program, but can't afford to pay for it.

Our Hope for Hearts program is an Equine Assisted Learning program to help individuals grow in their relationships, communication, confidence and self-esteem. Participants also learn how to control their emotions and behaviors, manage stress and develop leadership skills.

Many of the individuals needing this program have experienced trauma and are in the middle of crisis and difficulties in their life (many times financial) and can't afford to pay the full amount for their sessions.

Your sponsorship makes it possible for these individuals to get the help they need and for our horses to leave their hoof-prints of hope on their hearts!

Our Horses

Jake

Jake is a 23 yo Canadian Morgan. He is the lead horse of our herd. He is highly intuitive and is incredible at helping people grow in their confidence and learning to get out of their comfort zone.

Will

Will is a 23 yo American Saddlebred. We rescued him from an abusive situation. He had to learn to trust people again and is now great at helping people who have been through trauma learn to trust. He is also our farm "goofball"

Rosie

Rosie is a 41 yo Shetland/Hackney pony mix. Despite her age and her loss of vision, Rosie is still a spunky little pony who is great to teach people to learn to control their emotions and behaviors and improve their communication.

Ginger

Ginger is a 18 yo Quarter Pony. Ginger is a laid back pony with a huge heart. With the loss of one of her eyes, she has helped many people with physical and emotional scars learn that their scars don't define who they are.

Rizzo

Rizzo is a 17 yo Saddlebred/Quarter Horse mix. Rizzo loves attention and to be groomed. He is a wonderful teacher to help individuals learn to be authentic.

Leo

Leo is a 12 yo Miniature horse. He is such a sweet boy and is great to calm people who are nervous about working with the horses. He is playful and entertaining in the arena.
