

Winter Harbor Monthly Puzzle

"Start the year by testing your knowledge of Winter Harbor."

Down:

1. Peninsula added to Acadia in the early 1900s
2. French explorer associated with early Maine history
5. Coastal activity tied to the town's history
6. Transportation that brought visitors before automobiles
7. Lighthouse visible from parts of Winter Harbor
9. Former name of Acadia National Park
10. Harbor feature important for ship access
17. Industry that supported Winter Harbor before tourism
19. Cold season when the town is quieter

Across:

1. Scenic rocky point on the Schoodic Peninsula
3. Neighboring town to Winter Harbor
4. Quiet time of year after the summer season
8. Summer visitors who built large "cottages"
11. Places where granite was once removed
12. Nearby ocean that shapes the town's economy
13. Stone material quarried locally
14. County Winter Harbor belongs to
15. National park that includes the Schoodic Peninsula
16. Federal program that built roads and trails in the 1930s
18. State where Winter Harbor is located

Answers to January's puzzle will appear in the February newsletter.
