# Kreative Community Services

## *A Kreative Program Serving Adults with Developmental Disabilities*

Kreative Community Services (KCS) is dedicated to serving individuals with intellectual and developmental disabilities.

KCS supports individuals requiring enhanced behavior support in new and unique daily activities, community engagement, access to pre-vocational opportunities, social network development, and much more!

## Kreative Community Services

# BRIDGE

---

## *OUR MISSION*

Our primary mission at Kreative Community Services is to offer individuals with developmental disabilities person-centered services and supports aiming to achieve the best quality of life possible.

Our program is dedicated to enriching the lives of each individual attending the program through services and supports designed to realize their potential while recognizing their unique needs.

The services and supports for each individual attending the KCS program are developed and approved by the Individual, family members, North Bay Regional Center, and members of the Interdisciplinary Team together with the KCS team which specializes in a variety of areas including but not limited to functional communication, person centered practices, recreation therapy and behavior intervention.
