

Nordland Garden Club

Membership Application

Thank you for your interest in becoming a member of the Nordland Garden Club. The club has been in active existence since 1937 and is an important part of the Marrowstone Island community. Per our current bylaws, membership is open to women who are full or part-time residents of Marrowstone Island. Our meetings are on the 2nd Wednesday of the month, from September to June.

Potential members are asked to attend three meetings or events to know if the Garden Club is a good fit for them and to understand what we do. And if you have any questions about what we do, feel free to ask another member. We always welcome new members and look forward to including you!
