

HÉLOÏSE LLORIS®
CHAMPAGNE

Entwined by

BRITISH ARTISAN CRAFTSMANSHIP

The Opulence of Champagne

HÉLOÏSE LLORIS®

The only champagne in the WORLD...

Devoted to the tradition of artisan wine making, creating a Champagne experience designed to exceed the expectations of our clients.

We achieve this by using grapes from single vineyards, oak perfumed casks for our dosage liquor and disgorging on demand, combined with our patent protected bottle cover (hand made in England) to prevent light damage and temperature fluctuation damage, mirroring cellar like conditions.

Individually numbered, finished in 24k gold, 18k Rose gold & Palladium with personalisation and branding options.

A true taste of history.

BRAND NAME AND IDENTITY

The inspiration behind the name Héloïse Lloris, a beautiful French scholar and Romantic writer, born in 1101 (Héloïse) with a reputation for intelligence and insight best known for her love affair and correspondence, creating one of the most famous love stories in French history.

(Lloris) derived from the Latin name of the “Laurel Tree” (a bayleaf tree), used to create Wreaths for the Olympics since 1896, given to the winners to symbolise Victory and Honour.

HÉLOÏSE LLORIS represents Love and Victory.

HÉLOÏSE LLORIS CHAMPAGNE
outer beauty surpassed only by its beauty and strength within.

CHAMPAGNE FOR ROYALTY

During the 18th century Madame de Pompadour, the French mistress' friend and advisor of Louis XV hosted grand parties where Champagne flowed in excess.

During one notable masked ball, her guests consumed an incredible **1,800 bottles of Champagne**. With the wealthy aristocracy of various European nations in regular attendance at these events, soon enough, an international demand for the sparkling wines of Champagne followed.

Champagne became the most sought-after libation of celebration for the elite in the capitals of the Western world.

HÉLOÏSE LLORIS honour this royal legacy and tradition with incredible Champagne, handmade in England and finished in 24k Gold to sparkle at any occasion.

VINTAGE COLLECTION 1996 & 1998

Protective bottle cover hand made in England & finished in 24kGold

GRAPE VARIETIES BLEND

Chardonnay 54 %

Pinot noir 46 %

VINIFICATION

The juice comes exclusively from the first pressing. It is a Tête de Cuvée. All the grapes are harvested in the Montagne de Reims area with great acidity potential in the terroir. As such to preserve the taste of the terroir, all vinification is in stainless steel for 9 months. Each bottle is manually disgorged on demand, currently with more than 23 years ageing on lees before disgorgement. Full malolactic.

1996 & 1998 are of a quality that only comes twice a century, considered by some to be unmatched since the vintage of 1928.

Great acidity potential; perfectly balanced sugar at the harvest.

As a result, it has one of the longest ageing processes there is in Champagne.

Dosage 6 g/l depending on the age of the wine,
Dosage liquor matured in oak casks
(currently 2015 vintage).

TASTING

A majestic light golden colour with a soft sparkle, very dry, intensely crisp, young and fruity with tones of jasmine, almond syrup, ripe figs, tobacco and cognac. After sometime in the glass, mature toffee tones emerge with a slight haze of medlar.

The palate is round and exuberant but at the same time very fresh. Stored correctly, this wonderfully poetic Vintage Champagne will continue to improve with age and stand the test of time.

ROSE COLLECTION

Protective bottle cover hand made in England & finished in 18k Rose Gold

GRAPE VARIETIES BLEND

Chardonnay 47 %

Pinot noir 37 %

Meunier (as red wine) 16%

VINIFICATION

This rosé is exuberant by its light salmon pink colour, obtained by blending the greatest limestone chardonnay/pinot blend with red wine from meunier.

The Meunier as a red wine, brings a lovely colour and texture.

16% clay soils and 84% limestone
No malolactic.

Dosage 4.4 g/l depending on the age of the wine Dosage liquor matured in oak casks (currently 2015 vintage).

TASTING

A fine and fruity champagne.

Crisp, very dry wine that projects its red berry acidity right to the front. Certainly for food, it is textured with a steely core.

Food suggestions Poultry or fish.

BLANC DE BLANCS COLLECTION

Protective bottle cover hand made in England & finished in Palladium

GRAPE VARIETIES BLEND

Chardonnay 100 %

VINIFICATION

The juice comes exclusively from the first pressing. It is a Tête de Cuvée.

Chardonnay only from the best vineyards in the Montagne de Reims.

Exclusively on clay soil to produce a rich blend of flavours.
Stainless steel vinification,
Full malolactic.

Dosage 5.3 g/l depending on the age of the wine.

Dosage liquor matured in oak casks (currently 2015 vintage).

TASTING

The clay is very expressive on the nose and will empower your senses with mushroom, strength...

The classic finesse of the Chardonnay from the Montagne de Reims is shining through the mid palate and the length is impressive.

BRAND LICENCE

Heloise Lloris have a unique Champagne **‘Brand’ Licence**, allowing them to release only outstanding years, unlike a Champagne ‘House’ Licence where you have to harvest, bottle and sell champagne every year regardless of the quality, which fluctuates drastically from year to year due to weather and other factors.

CHAMPAGNE QUALITY

Our 500-year-old Champagne Producers derive from the beautiful
Champagne Village of Chigny-Les-Roses, Champagne Region, France;

Which has been granted Premier Cru status.

In the whole of the Champagne region only 12% of the three hundred and twenty
Champagne villages have ever been rated to such a high level.

Our vintage range only extracts the first press (Tete de Cuvee)
creating an exceptionally high quality Champagne.

Heloise Lloris only bottle single vineyard wine.

Single-vineyard is the new vanguard in champagne,
with deliciously complicated consistent cuvees.

Heloise Lloris has some of the finest Vintage Champagnes from the
Premier Cru region, including Vintage years from 2008, 2004, 1998, 1996.

Great vintages will comfortably improve for twenty, even fifty years.

This evolution relies on a complex interplay of acidity, fruit and oxygen as well
as dosage, dissolved carbon dioxide, the lees themselves and disgorgement date.

We still use the process of manual riddling and our “**dosage liquor**”
is aged in oak casks.

AWARD WINNING WINERY

We are extremely proud of our 5th Generation winery, operated and overseen by Mr Gilles Dumangin who has achieved many awards for the winery, scoring highly in many of the wines we are proud to include in the Héloïse Lloris collection.

We are delighted to share some of these accolades

“The best champagne you have never heard of”
(Forbes Magazine USA)

Official supplier to Sir Paul McCartney’s Wedding 2011

(The Independent UK)

Blanc De Blancs Tête de Cuvée - Awarded 94 points
(Bob Campbell NZ)

Vintage 2004 - Awarded 95 points
(James Suckling UK)

BOTTLE DESIGN

We believed that Champagne of such quality required a bottle of distinction and Héloïse Lloris created a unique bottle cover (Patent protected) that not only showcases this exceptional Champagne, but also aids in its preservation and longevity by protecting it from light damage and temperature fluctuation.

Recreating the darkness of 500 year old cellars and keeping the wine cooler for longer.

Each rigid bottle cover is permanently attached and cannot be removed.

They are individually handmade, and numbered, in England.

The tooling used in this process is made by the same British company that creates currency coins and badge work for one of the most prestigious UK supercar manufacturers. The front and back crests are made by the British company that produces medals for Governments and internationally recognised sporting bodies.
