

1974 Jensen Healey

Two cars that turned into 1 with spare parts. Car has been at BMC Restorations in Kiln MS with Peter Brauen who has done all of the structural metal work including new floor pans. Have several parts including a hard top and a Dellorto manifold, good set of front fenders and rear quarter panels, brand new aftermarket seats and adjusters. Has complete A/C system installed. Car currently needs light bodywork and paint. Car ran and drove when restoration started but hasn't operated in over 10 years. Have over \$5000.00 invested Asking for Best Offer - Cortland A Musgrave (504)559-4960
