- Engine #: 18GH-WE-H-15952

**Work Completed:**

- Engine Rebuild
- New SS exhaust system
- New Rear Springs
- New Master and wheel brake cylinders
- New Master and Slave Clutch Cylinders
- New Rear wheel dampers (sealed)
- Breaker less distributor upgrade (no points)
- Rebuilt Front end
- Reupholstered front seats and rear seat (rear seat back still needs to be done)
- New Door panels
- New Carpet and under carpet heat shield
- New Wire Wheels and Coker tires, including spare
- New Windshield wiper motor
- New Dash
- Repaired/replaced Floor pans
- New Fuel Pump

**General Comments**

- Starts and runs great

- All Gauges work
- All lights, horn and turn signals work
- Badge bar available but not installed

Generally, a well-maintained car but the body shows some scratches and blemishes. Small stone chip on windshield, rear window seals need replacement as well as rear seat back needs to be reupholstered. The sale includes all manuals and tune-up tools.
