

## **MEDICAL & RESEARCH USE DISCLAIMER**

### **FOR RESEARCH USE ONLY — NOT FOR HUMAN OR VETERINARY USE**

All products sold on this website are intended strictly for in-vitro laboratory research purposes only.

These products are NOT intended for human consumption, medical use, therapeutic use, or veterinary use. They are NOT intended to diagnose, treat, cure, or prevent any disease or medical condition.

No information provided on this website, including product descriptions, educational content, or marketing materials, should be interpreted as medical advice or as a recommendation for human use.

## **FDA DISCLOSURE**

The products and statements on this website have not been evaluated by the U.S. Food and Drug Administration (FDA).

These products are not approved by the FDA for human use, and they are not sold as drugs, dietary supplements, or medical products.

## **PURCHASER QUALIFICATION REQUIREMENT**

By purchasing from this website, you certify that:

- \* You are at least 21 years of age
- \* You are a qualified researcher or laboratory professional
- \* You understand the experimental nature of these compounds
- \* You will use all products strictly for lawful laboratory research purposes
- \* You have the training, facilities, and safety protocols required to handle research chemicals

## **PROHIBITED USE**

The following uses are strictly prohibited:

- \* Human consumption or self-administration
- \* Veterinary use
- \* Use in food, drugs, cosmetics, or dietary supplements
- \* Clinical, therapeutic, or diagnostic applications

Any misuse is solely at the purchaser's risk and in violation of this agreement.

## **NO MEDICAL CLAIMS**

Any references to mechanisms, studies, or potential applications:

- \* Are provided for educational and research context only
- \* Do not constitute medical claims
- \* Should not be interpreted as evidence of safety or efficacy in humans

## **ASSUMPTION OF RISK**

Research compounds carry inherent risks, including but not limited to:

- \* Unknown safety profiles
- \* Potential toxicity
- \* Improper handling hazards

The purchaser assumes full responsibility for:

- \* Proper storage, handling, and disposal
- \* Compliance with all applicable laws and regulations
- \* Safe laboratory use practices

## **LIMITATION OF LIABILITY**

Under no circumstances shall the company, its owners, employees, or affiliates be liable for:

- \* Injury, illness, or death
- \* Property damage
- \* Economic loss
- \* Regulatory penalties

arising from misuse, improper handling, or unlawful use of products.

Total liability, if any, shall not exceed the purchase price of the product.

## **LEGAL COMPLIANCE**

It is the responsibility of the purchaser to ensure compliance with all:

- \* Federal laws
- \* State laws
- \* Local regulations

regarding the purchase, possession, and use of these materials.

The company makes no guarantees regarding the legal status of any product in any jurisdiction.

## **NO WARRANTY**

All products are provided “as is” without any warranties, express or implied, including:

- \* Merchantability
- \* Fitness for a particular purpose
- \* Non-infringement

## **FINAL ACKNOWLEDGMENT**

By accessing this website or purchasing products, you acknowledge and agree that:

- \* You understand these products are research chemicals only
- \* You will not use them for human or veterinary purposes
- \* You assume all legal and safety responsibility
