

LILY & HOPPER

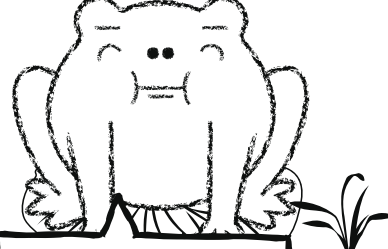

We have the most beautiful pond!

I agree. It is so clean and cool!

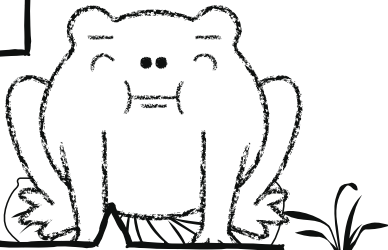

Oh no! What is that!?

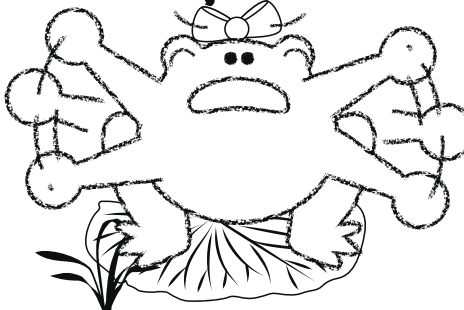

What do you see?

It looks like trash floating our way!

Oh no, I'm not cool with that!

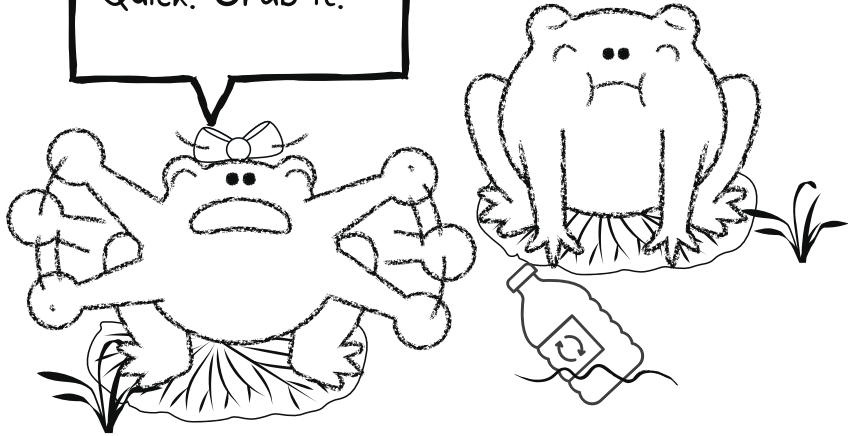

This isn't right! We need to do something to save our pond!

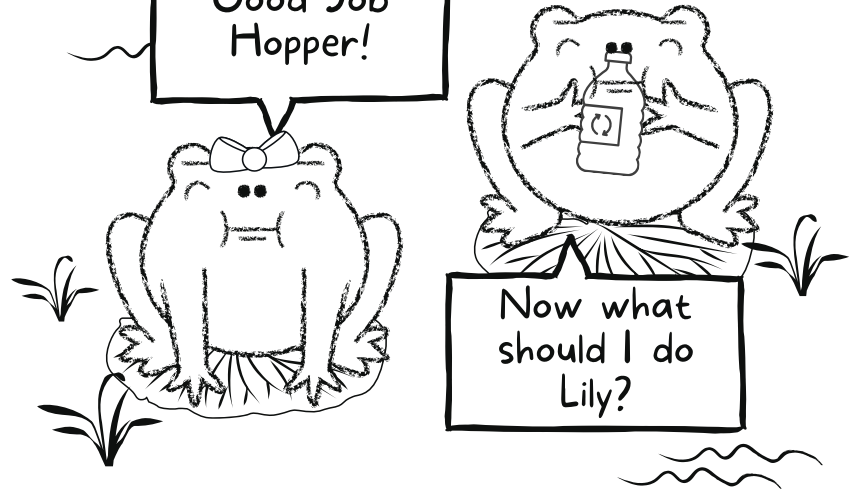

What do we do?

SAVE THE POND!

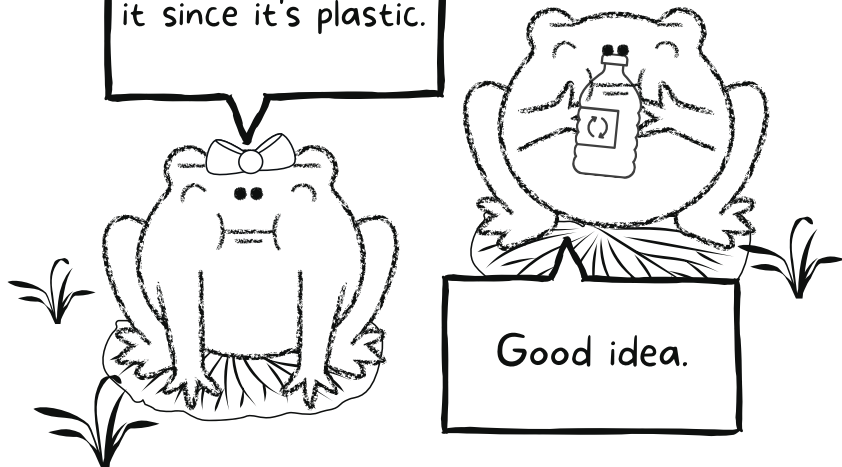

Quick! Grab it!

Good Job Hopper!

We should recycle it since it's plastic.

Help keep Lily and Hopper's pond clean by making sure you help pick up any litter and recycling what you can!
