

# Privacy Policy for Safety Oracle

**Last Updated:** April 17, 2024

Thank you for choosing Safety Oracle. Your privacy is important to us, and we are committed to protecting the personal information you share with us. This Privacy Policy explains how we collect, use, and share information about you when you use our Safety Oracle app, which helps users generate professional accident reports based on short descriptions of incidents.

## 1. Information We Collect

**a. Description of Incidents:** We collect the short descriptions of incidents that you input to generate accident reports. These descriptions may include details of the events, involved parties, and potential safety hazards.

**b. User Credentials:** To access our services, you are required to authenticate via Firebase Authentication. We collect your email address and password. This information is used solely to manage your account.

**c. Generated Reports:** We store the accident reports generated by our AI on your behalf.

## 2. Use of Information

The information we collect is used in the following ways:

- **To Provide Services:** We use the information you provide to generate and store accident reports.
- **To Improve our Services:** We may use your information to improve our app functionality and user experience.
- **User Support:** To provide customer support and handle inquiries effectively.

## 3. Sharing of Information

We do not share your personal information with third parties except as described in this policy:

- **Firebase:** As we use Firebase for authentication and storage, your information is maintained on their servers. Firebase's handling of your personal data is subject to their own Privacy Policy.

- **Legal Obligations:** We may disclose your information if required to do so by law or in response to a subpoena or court order.

#### **4. Data Security**

We implement a variety of security measures to maintain the safety of your personal information when you enter, submit, or access your personal information. However, no method of transmission over the internet, or method of electronic storage, is 100% secure.

#### **5. Data Retention**

We retain your personal information for as long as necessary to provide you with the services you have requested, or for other essential purposes such as complying with our legal obligations, resolving disputes, and enforcing our policies.

#### **6. Your Rights**

You have the right to access, update, or delete your personal information. You can manage your information by logging into your account.

#### **7. Changes to This Privacy Policy**

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes.
