

With Purpose AZ

Sponsorship Proposal: Bloom & Borrow Brunch

Cutting Red Tape. Funding Our Future. Supporting Prescott Kids.

The Vision

At With Purpose AZ, we believe that community support shouldn't be complicated. We noticed that too often, local funds get swallowed by administrative overhead and national red tape. We decided to change that.

Our mission is simple: 100% Volunteer-Led. 100% Hyper-Local. We host high-end, curated community events where local businesses and neighbors can connect, with one singular goal—ensuring that every dollar raised goes directly to the organizations protecting and developing our youth right here in Prescott.

The Event

The Bloom & Borrow Brunch is our inaugural event. On March 29th, at the historic Willow Creek Inn, we are bringing together 50+ local women and entrepreneurs for a "Bougie Brunch" and high-end clothing swap. It's an afternoon of networking, style, and intentional giving.

Why Partner With Us?

When you sponsor a With Purpose AZ event, you aren't just buying a logo on a sign. You are:

- Investing Locally: Ensuring your marketing dollars stay in the Prescott community.
- Promising Transparency: Aligning with a non-profit that operates with zero salaries, ensuring maximum impact.
- Targeted Exposure: Putting your brand in front of a demographic of local homeowners, professionals, and community influencers.

Your Impact

The proceeds from this event—including your sponsorship—will directly fund Yavapai Exploration and Science, and Rise Above the Clouds, providing immediate support for their programs.

Join the Squad. Let's grow something beautiful for Prescott, together.
