Panola County Junior Livestock Show Rules

Show Dates: February 26th – March 1st

RULES AND REGULATIONS GENERAL

All entries in the Panola County Jr. Livestock Show are subject to the following rules and regulations. Failure to comply with any of these provisions will result in disqualification of the exhibitor and his or her project and possible forfeiture of the right of future participation in the show.

- I. Exhibitors must live in Panola County or attend a Panola County public, private, or home school, and be a member of 4-H or FFA, in Panola County, during the feeding period. **No one may exhibit in any other county show other than Panola County.** Exhibitors must be in good standing as outlined in his or her respective school, 4-H or FFA Chapter in order to exhibit livestock or shop projects.
2. All exhibitors, 4-H and FFA must meet any and all school rules and policies which pertain to school approved extracurricular activities (i.e. student's school grades, excused absences, etc.) If an exhibitor fails, his or her animal fails as well. No one else will be allowed to show the project. **A child must be eligible, for the entire Panola County Jr. Livestock event and sale regardless of sale participation. The event is defined as from start of the show to the end of the sale.**
 - All 4-H member participants must meet all requirements as outlined in the Panola County Standing Rules and State 4-H Rules during the school year a project is submitted for entry.
3. Exhibitors may show more than one project, but only one market animal per species per exhibitor may show, and only one market animal per exhibitor may sell, providing the project wins a blue or red ribbon. The exception to this being if an exhibitor wins Grand or Reserve in separate species then these champions must sell. No white ribbon project will be sold, and no project may be PO 'ed for the sale. Grands and Reserves will not have the option to sell as "Premium" Sale only This will allow exhibitors except grand and reserve to declare (at weigh-in) that they intend to show their animals at another show for an additional opportunity.
 - Sale Order: on the day of sale, the order will be as follows, we will start the sale with Sale of Champions followed by all placing Steers then all first place Barrows, Lambs, Goats, Rabbits, and Broils and etcetera.

4. If an exhibitor has an animal that is validated with a major show tag and said exhibitor wishes to take that animal on to a major later in the year, at the time of check in, it must be declared as such. At which time, the animal will not be sold as a terminal project, rather an announcement will be made when the exhibitor and animal enter the auction ring announcing it as a premium project only. **No animal dead or alive may be sold at auction unless it was judged.**
5. Adults will not be permitted to show animals for an exhibitor. The exhibitor must show and sell his/her own project unless a valid excuse is provided. **Said excuse must be presented to the student's Advisor/Extension Agent in a timely manner who will present the issue to the board.**
6. All beef animals must be shown at halter to receive ribbons, prize money, or be sold. No exceptions. No breeding stock will be sold. This includes beef heifers, bulls, gilts, boars. The committee has the right to delete classifications.
7. The show committee reserves the right to exclude participation of or sift any animal on the basis of quality and/or temperament.
8. It will be the responsibility of the exhibitor to keep pens or stalls clean and in a presentable condition at all times during the show.
9. No change of major color pattern of any animal by painting or dyeing will be allowed.
10. Only judges, superintendent, and ring assistants appointed by the committee will be allowed in the ring during the show.
11. All entries for the Panola County Junior Livestock Show must be entered and validated by the following dates:

 21. Animals showing signs of having been unethically fitted will be disqualified.
- Unethical Fitting: Unethical fitting means any attempt to alter the natural appearance, conformation, musculature, or weight of an animal by any unnatural means. Unethical fitting includes the use of injections or feeding of material not conducive to the health of the animal, safety of food or marketability of its carcass. unethical fitting also includes, but is not limited to, artificially filling animals by stomach pumping, airing injections and bruising.

BEEF DIVISION

Registered Breeding Heifers

Only registered animals of beef parentage of recognized beef breeds may be shown. Registered Breeding heifers only will be shown. Animals will be divided into 3 standard divisions used at major livestock shows. (American, British, Exotic)

Class 1: will consist of heifers born in the calendar year, January 1 " - December 31 ", of the year preceding the show.

Class 2: will consist of heifers born in the calendar year, January 1 " - December 31 ", in the calendar year preceding Class 1.

Class 3: will consist of heifers born in the last half, July 1 't - December 31 't, of the calendar year preceding class 2. Classes will be added as needed.

A copy of registration papers for all registered animals showing in any registered class is required with the entry form. The animal must be registered in the exhibitor's name.

Panola County Bred Heifers

All Panola County bred and born heifers will be invited back into the ring to receive placing by the judge. A calf must be conceived and born in Panola County. **The breeder must sign a letter of authenticity.**

Market Steers

Rate of Gain: it is mandatory that all steers entering the Panola County Jr. Livestock Show be present at the validation set for the last Tuesday or September preceding the show. Central Validation will be from 6:00 pm until 7:00 pm at this time a start weight will be collected from each steer. Then on the Monday prior to the County show from 4:00 pm until 5:00 pm at the Carthage Veterinary Hospital and must weigh 900 lbs. All steers will

be weighed out on Monday prior to the livestock show for the purpose of the rate of gain contest. The period for the contest will run from weigh-in date to weigh-out date. All steers must be slick sheered by check-in deadline. Steers may be weighed only one time at the official weigh-out. There will be a 5 lb. allowance for scale variance.

Panola County Born and Bred Steers

A calf must be conceived and born in Panola County. The breeder must sign a letter of authenticity that is due into show office one week after validation. The top 6 Panola County Bred Steers will be selected from the sale order.

SWINE DIVISION

Barrows

Barrows will show in an open ring by the exhibitor. No females will be shown in a barrow class. All barrows must weigh between 200 and 290 pounds. Barrows must be owned by November 30th prior to the show date.

Barrows may be weighed only one time at the time of the official weighing. There will be a 5 lb. Allowance for scale variance.

(Example: if a pig weighs 195 pounds or 295 pounds it will be allowed to show.)

Gilts

Gilts will be shown in open ring and must be owned by November 30th prior to the show.

GOAT DIVISION

Market Goats

Only wethers may be shown. All wethers must be owned prior to November 30th prior to the show date. They must be dehorned, disbudded, or tipped to the size of a dime. Wethers will be weighed Wednesday afternoon the day before the show and must weigh a minimum of 60 pounds. Goats may be weighed only one time at the official weighing. There will be a 5 lb. allowance for scale variance.

LAMB DIVISION

Minimum weight is 90 pounds. Only wethers will be shown. All lambs must be shown in short fleece. Lambs may be weighed only one time at the time of the official weighing. There will be a 5 lb. allowance for scale variance.

POULTRY DIVISION

All chicks must come from the same source at the same time. Definite orders of chicks will be assembled by Ag. teachers and county agents. Participants will be notified when and where to pick up their chicks. Each exhibitor will start with a minimum of 25 birds. No less. An entry will consist of three birds. The weight minimum will be three pounds. All birds will be sifted before the show to ensure that all exhibits are "A" quality birds.

RABBIT DIVISION

Market Rabbits

An entry will consist of three rabbits (fryers) of any sex and of the same breed, i.e. all Californian or all New Zealand. Market rabbits will be tattooed on validation day at the Exposition Center which will be Fourth Thursday prior to show date. The weight will be 3.5 pounds minimum and 5.5 pounds maximum with a .3 lbs. scale variance. The rabbits should be approximately eight weeks old. Entries will be weighed and sifted by the Rabbit Show Superintendent.

PCJLS AGRICULTURAL MECHANICS RULES

ENTRY DEADLINE: November 30

Entries are due in the barn by 12:00 pm on Wednesday the week of the show. Once the project is on site, they may not be removed from the show grounds, until silent auction closing. Once projects have been put in place, projects can not be modified (painted, welded, or fixed in any way)

SPECIAL RULES

1. Entry Fee: The entry fee for each project is \$30.00. Entries must be completed and submitted by December 1.
 - Exhibitors' names should be spelled correctly with the first letter of names capitalized.
 - Entries are allowed from Panola County residents only.
2. Eligible Entries: Contestants must meet all Panola County Junior Livestock Show Rule Requirements.
3. Projects: Projects must have been constructed by FFA or 4-H members either as a part of their agricultural mechanics instruction in agricultural science class or as part of their supervised work experience program within the 4H. Projects must be designed and constructed under the direct supervision and guidance of the AST/CEA.
4. Individual/Group Entries: Projects may be individually or group constructed. Entries must be made in the name of the FFA Chapter or 4-H Club. Entries must include only the name(s) of those who participated in the planning and construction of the project. Group entries are composed of two (2) or a maximum of six (6) students.

5. Number of Entries: No exhibitor may be involved in the construction of more than 3 projects, whether group or individual. This does not limit the number of projects a chapter or club may enter. Individuals can sell no more than 1 project within the auction.
6. Exhibit Space: In so far as possible projects will be displayed by class. Placement of the projects will be at the discretion of show officials. Some projects will be displayed outside.
7. Judging Procedures: Only exhibitors of the project may present the project to the judges.
8. Project Sales: Junior Ag Mechanics Projects cannot be sold or advertised for sale during the Junior Ag Mechanics Show on Thursday. Exhibitors can only sell 1 project within the auction.
9. Construction Date: A project may be exhibited only one time at the Panola County Junior Livestock Show and must have been completed within one calendar year of the exhibition date.
10. Project Substitutions: Substitutions are to be made directly to the show Superintendent, unless otherwise announced. Substitutions not officially recorded in this manner are invalid. Substitutions will not be permitted once Check-In is complete. Substitution of owners is not permitted.
11. Refunds: There will be no refund of entry fees.
12. Types of Projects: There will be separate categories for Woodworking and Metalworking. Only those projects that fit into the stated classes will be accepted. Final project classification will be at the discretion of the Classification Committee. Leather goods, spurs, knives, canoes, teepees, boats and glass top tables/benches are not approved projects. No repurposed structures or remodeled projects are allowed. The list of unacceptable projects above is not complete.
13. Vehicles: Trucks, tractors, trailers or other vehicles that are not entered to be exhibited are not allowed in the exhibit area. If a vehicle needs to be a part of a display the Superintendent must grant permission.
14. Project Completeness: All projects must be complete including finish. Any item necessary for use of the project must be a part of the project (example: hinges and latches on gates and panels). Documentation (all 4 components) is considered part of the project.

15. Project Presentation: Criteria to be considered for Showmanship:

- a. Neatness of project – Clean and free of dust and debris.
- b. Neatness of surroundings– Includes floor under and around the project.
- c. Documentation – Presented in a manner that judges and the public can view. Awards, exhibitor cards, ribbons, or other materials from other or previous project shows should not be included in the documentation or display.
- d. Signs–All projects are to be identified with the official exhibitor card. Other signs, banners, etc. are subject to approval by the Superintendent. "For Sale" signs are not permitted.
- e. Exhibitor Card–It is recommended that the exhibitor card be placed in a clear plastic sleeve and affixed neatly to the front center of the project. Exhibitor Cards must be on projects when they arrive at show grounds.
- f. Sponsors – Sponsors of a project may be identified with approval of Superintendent
- g. Logos – Do not use company logos on projects unless provided a limited use agreement.
- h. Inappropriate Silhouettes – Inappropriate silhouettes or cutouts should not be used on projects.
- i. Safety – All safety procedures must be adhered to when displaying projects. Oxygen and fuel cylinders, acetylene or propane are not allowed.
- j. Clutter – Exhibitors should confine paraphernalia, chairs, show boxes, cleaning supplies, brooms, and wiping rags to their assigned display area.
- k. Painting/Scratches – Paint is not allowed in the display area. Judges will be instructed to make allowances for scratches or damage due to transportation or off-loading.

16. Exhibitor Presentation: Criteria to be considered for Showmanship:

- A.** Attire – Exhibitors should be dressed appropriately and be with their project when it is judged.
- B.** Sportsmanship–Exhibitors should be courteous and helpful to those viewing their project, including those exhibiting next to them. Exhibitors should not interfere with or shield those who are exhibiting next to them.
- C.** Knowledge – Exhibitors should be available to answer questions when their project is being judged. Knowledge of the project will be evaluated at this time. Knowledge is part of Presentation on Judging Criteria. Exhibitors should be well informed of the project they are representing.
- D.** Exhibit Aids – Exhibitors should provide any equipment that may be necessary to judge their project (flashlights, mat or creeper for judging projects where the judge needs to get under project such as trailers) Exhibitors may be requested to hold measuring tape and assist judge in taking measurements of project.
- E.** Naming Project–Proper project name and classification will be reflected on the Exhibitor Card.

Note: At least one chapter/club exhibitor should be available to answer questions from the public or show officials, including showmanship and documentation to judges at all times.

18. Documentation & Research: Documentation is considered a research portfolio and should not be constructed as a scrapbook. Documents should be easy to read and arranged neatly in a tabbed notebook with table of contents and numbered pages.

Documentation & Research Package must include the following four components:

- A. Working Drawing: Must include an original (exhibitor-drawn) multi-view orthographic projection drawn to a given scale with proper lettering and dimensioning. Scale must be identified on the drawing. Dimensioning shown on drawing should be specific and complete enough for it to be apparent that drawing was used to plan and construct project. Judges will spot check dimensions on projects to see if they comply with drawings. Drawing may be pencil or CAD (Computer Aided Design). Pictorials, isometric, oblique or perspective may be included.
- B. Bill of Materials (BOM): Must include a list or a description of material, including columns 1) Date, 2) Description, 3) Size, 4) Quantity, 5) Unit, 6) Cost per item, 7) Extended or Total Costs. Other information such as, OC (Opportunity Cost) to identify items that were donated but have value, PE (Professional Expenses) to identify work done by others, sum of all (Total Costs) cost including OC and PE should be shown in BOM. Vendors name and/or Purchase Order Number, etc. may be included. Invoices or Sales Receipts are recommended to be included with the BOM, but do not replace the BOM. BOM may be developed using computer spread sheet program.
- C. Photographs: Show working progress and should illustrate proper safety procedures including clothing, eye and face shields, etc. Photographs should be sequenced in the order of constructing the project. Exhibitor(s) should be in pictures. CEA/AST should be in some of the pictures. Pictures must be of good quality with labels identifying activity and exhibitor(s) in the picture. No more than 40 pictures may be included. Two, but no more than four pictures per page is recommended. Pictures should be labeled identifying person in them and skill. Additional photographs may be displayed in a separate notebook for public viewing, or may be displayed using computer display if electricity is available. Videos may also show construction, but computer displays and videos do not substitute for the photos required in the documentation notebook.
- D. Research - Papers to be included: Product Information (PI) bulletins and/or Safety Data Sheets (SDS) or (MSDS) must be germane to the project and should include paints and chemical supplies, etc. Manufacturer's specifications or PIs for trailer and equipment components such as axles, springs, wheels, jacks, break-aways, and hydraulic cylinders should be included.

Projects having no documentation are not complete and will be disqualified.

19. Project Safety:

A. Display: Appropriate and safe display stands must be provided for gates, panels, and other projects requiring support. Sharp edges and points; such as found on roofs of self-feeders, bale movers, etc., must be padded and/or protected where necessary to prevent possible injury to spectators and exhibitors.

B. General Safety: Flammable and/or combustible liquids shall not be stored or sprayed in buildings, or on the show grounds. This shall include, but not limited to enamel paints, thinners, reducers, or gasoline. No cylinders (oxygen, acetylene, or propane) are allowed. Electric extension cords must not cross aisles used as exit ways.

C. Projects with Engines: No more than 2 inches of fuel depth is allowed in any fuel tank. The fuel tank cap must be in place. Fuel cap does not need to be taped. All batteries, except tractors must be disconnected.

20. Transportation Statutes: All trailers and other equipment that will be operated and/or transported on public roads must be equipped with safety equipment specified in Codes of Federal Regulations, Title 49 Transportation, parts 300 to 399. No Agriculture Exemptions except farm tags are allowed.

A. Trailer wiring, lights and brakes will be working properly. Colors of conductors in the wiring harness should meet industry standards. Trailer must be grounded to the vehicle with a grounding wire in harness. (Trailer grounding only through hitch is not acceptable.)

All Projects pulled on public highways must include relevant DOT codes including Federal Lighting

B. All trailers must have a Vehicle Identification Number(VIN) or Serial Number(SN) or Trailer Identification Number (TIN) placed on the tongue. SN, VIN or TIN will not be used to check registration. All trailers that are pulled to the show must have a license plate. May use Farm Tag.

C. All tongue equipment that are pulled on a public highway – for example: trailers, squeeze chutes, hydraulic log splitters, mowers, tillage tools, sprayers, etc. will have DOT approved (1) safety chains, (2) tongue jacks, (3) lights and reflectors.

D. All trailers rated 4500 pounds GWR or greater must have approved brakes, safety chains and break-away equipment. This includes bumper pull as well as gooseneck trailers.

E. All trailers must be equipped with lift jacks for hitching and unhitching including goosenecks and tongue.

F. Tie down attachments (D Rings) (minimum of 4) are recommended on all utility trailers.

G. Fender Wheel Clearance– Judges will abide by specifications provided in PI documents. General specifications are: (a) Four-inch fender clearance above the tire is required with exceptions of (b) torsion axle 3 inches and (c) single axle trailers 3 inches. Fenders must be wider than tire tread so the edge of the fender does not cut the tire.

H. Any trailer that is over wide (102 inches) must have a signed Texas over width permit. Current over width permit must be presented at the time of DOT inspection. Trailer widths will be measured at the widest point on the trailer, metal to metal. Permit dates must include days in transportation to and from PCJLS. Review *Trailer Construction Guide* for major codes and rules. It is the exhibitors' responsibility to have reviewed and understand all TxDOT and Federal Codes.

Any trailer that is over 102 inches in width without permit will be discounted 10 points. Over wide without a permit does not designate disqualification for the show.

21. Loss or Damage: Every precaution will be taken to protect projects, however, neither the Panola County Junior Livestock Show nor the show officials will be responsible for any loss or damage to projects during unloading and loading them.

22. Projects Needing Off-loading Assistance: Projects that must be hoisted from the topside are to be fitted with lifting eyes at balance points that will accommodate one-inch shackles. Trailers that are transporting both tractors and other projects should be arranged so tractor can be off loaded separate from other projects. Projects that Show Officials conclude cannot be safely off-loaded with equipment available may be shown on the trailer.

23. Project Show Judging Criteria: (see scorecard for further breakdown)

Workmanship 40

Design 30

Interview/Showmanship 20

Record Book 20

Judges will place projects using the scorecard. Top two metal and top two wood projects will compete for Grand and reserve champion.

24. FFA or 4-H show cards must be on each exhibit showing the name or names of the students who built the project and the name of the chapter. All names appearing on projects will be removed during the judging

Updated 4/23

Judges

Judges will only serve two consecutive terms.

Awards

Grand Champion will receive a belt buckle and a banner. The show will provide up to two belt buckles for team entries. If more buckles are needed it is the responsibility of the FFA or 4-H to provide them.

Reserve grand champion will receive a belt buckle and a banner.

Top two wood and top two metal projects receive a rosette.

Ribbon awards are blue and red. Blue ribbons are presented to the top 10. Red ribbons for 11th and under. Only Blue Ribbon projects are eligible for placing Showmanship award. The judges can choose to add blue ribbons past 10th place.

Showmanship Award

A separate award will go to the individual who best displays and demonstrates their knowledge of their project. The judges will pick this person from among the top 10 blue ribbon exhibitors. The showmanship winner will get a belt buckle.

AUCTION

All qualified projects will participate in the Silent Auction. The highest bidder through the Silent Auction is the winning bid *if the Market Value is met*. Bidding will start at 8:00 AM Friday morning. Bid sheets will be displayed with the project. Silent auction ends at 3:00PM on Friday.

If for sale, a minimum price must be exhibited. Starting bid is \$100 over material cost.

All projects must be removed from property the day of Auction.

Rules and Regulations

General rules and regulations of show apply. See official show schedule for all show times.

Entry Fee: \$30.00 per pen, due with entry forms at validation

1. This show is limited to projects owned, fed, and cared for by 4-H and FFA members in good standing and under the supervision of the Ag-Science Teachers and County Extension Agents. 4-H members must be eight years of age and entering the third grade before September 1st, year preceding the show to be eligible to participate. All participants must meet eligibility criteria as established by the Panola County Junior Livestock Show Association.

2. The Commercial Beef Heifer Show and Sale is an opportunity for exhibitors to show and sell commercial heifers. Crossbred heifers are desired, but purebred heifers will be permitted to show. Any heifer exhibited in the Commercial Beef Heifer Show will not be allowed to compete in the Breeding Beef Heifer Show of the Panola County Junior Livestock Show.

3. Third party ownership heifers will not be allowed to show. Bill of Sale will be due at the time of validation.

4. **Entry Form Deadline:** all forms/paperwork are required to be turned at the time of Animal Validation.

- Exhibitor Information Sheets (Breeding Animal Entry Forms)
- \$30.00 per pen of three Entry Fee (\$10 for additional animals with max of two head) (non-refundable).
- Bill of Sale.
- If appropriate paperwork is not turned in at the time of validation, point deductions will be made. Lost tags must be reported immediately to a committee member.

5. **Animal Validation:** Last Sunday in November preceding the show with it being mandatory that all entering the Panola County Jr. Livestock Show pen of heifer show and sale be present for a central animal validation. Central Validation will be from 2 to 4 pm with location TBA.

- Heifers consigned to the show and sale will be tagged in at validation time and date.
- All heifers must arrive at Validation presorted into their respected groups. There will not be any sorting between groups while at validation.

6. Heifers must be between 9 and 24 months of age by the start date of the Panola County Junior Livestock Show.

7. Exhibitor may validate a total of 5 heifers, exhibiting only one pen of three at the 2024 PCJLS.

8. Heifers cannot be added to or switched from their respective validated pen.

9. Exhibitors must own their heifers by date of validation. The feeding period begins on the date of purchase. Proof of ownership must be available at the time of validation. Exhibitors must feed and care for their heifers in Panola County on their facility, or other committee approved facilities, and exhibit heifers without any aid or assistance other than that of Panola County Extension Agents, Ag-Science Teachers, 4-H Adult Leaders, or immediate family members. (Violations will cause the exhibitor to forfeit all rights to participate in the Commercial Beef Heifer Show.)

10. Attendance of exhibitors is mandatory at the time of judging.

11. Pen of Heifers will not be divided into an age division and will be judged as one division. Those heifers being shown as bred will be required to be certified bred by a veterinarian max age of heifer eligible for the show is 24 months of age. Heifers can not be with their first calf nor can they have a calf nursing during the show or during the feeding period.

12. The scoring system used for the overall showman will be as follows: (Point to be based on the number of entries)

- Points awarded for placement of record book.
- Points awarded for placement on written test.
- Points awarded for placement in the interview.

Overall placements will be determined as follows: each exhibitor will have their total points awarded per category added together for a total cumulative score. Final over all placings will be based on these total combined scores.

Point deduction protocol: anytime during the feeding period if it is determined that a rule violation has occurred that warrants the removal of points, a Rules Violation Form will be presented to the exhibitor and family stating the rule violation in question and total points to be deducted from the exhibitor's total cumulative score. At that time the family and supervising advisor will be asked to sign the form consenting to the action.

Note: Failure to sign the form and complying with rules, will result on immediate dismissal from the Pen of heifer show for that year.

13. Heifers may be inspected for quality, condition, etc. up to one week prior to the show, by member(s) of the Commercial Beef Heifer Committee. Heifers may be removed from the show, with a majority vote of committee members, pending the results of the inspection(s). A pen may be removed from the show prior to one week before the show.

14. The Commercial Beef Heifer Show Committee reserves the right to amend these rules with the approval of the Panola County Junior Livestock Show Association members.

15. Grand, Reserve Grand and other placing heifers in this program will be sold and become the property of the buyer at a special sale that is not in conjunction with the PCJLS and Sale. **All purchases must be paid in full before directly after the sale.** Those pens that are not grand or reserve grand have the option to sale or not to sale, however if they decide to place their animals in the sale, no project may be PO 'ed during the sale. (Those participants selling in the Commercial Pen of heifer sale will be eligible to sell a market animal 15. during the PCJL sale on Friday at 1 pm.) (Heifers that do not win Grand or Reserve and are held out of the sale and met the age requirements will be eligible to show a second year)

16. There will be no harassment of the judge and/ or Commercial Beef Heifer Committee members prior to, during, or after the show.

17. This program is designed to be educational and beneficial to the youth of Panola County. Any parents or exhibitor found to not be adhering to any rule(s) pertaining to the Commercial Heifer Show will be banned, along with his/her family, for a period of one (1) year, to a lifetime, from exhibition in the program, per the Commercial Beef Heifer Show Committee discretion.

Test, Interviews, and Record Book Section

1. For the Testing, Interview, and Record Book sections, exhibitors will be divided into age divisions as follows, Junior Division (consisting of those exhibitors 13 years of age and younger on the day of show) and Senior Division (Consisting of those exhibitors 14 years of age and older). At the awards program we will recognize the high point individual per age division for the Testing and Interview/Record Book sections. An accumulative score will be totaled to achieve an Overall Showman in each age division.
2. Exhibitors are required to submit a record book for competition. Also, exhibitors are required to answer questions in a testing and interview process at the time of the show.
3. Record books will be turned in the morning of the Test and interview date no later than 9:30 am. (pregnancy check papers need to be included in record book).
4. Record books will go by the following format:
 - a. Summary of expenses (forms will be provided by the show at validation)
 - b. Essay (Minimum of two-page story about your project)
 - c. Pictures (Max two pages)
 - d. Receipts (must include all receipts associated with project)
 - i. Record books will only need data from the time between validation and turning in of the record books.
5. Record book covers will be a three-ring binder with all articles. Placement points will be deducted for those books not turned in correctly.
6. Testing and interview study guides will be handed to all exhibitors at the validation.
7. Testing for those youth entered will be conducted on the Wednesday one week prior to the Judging of the pen of heifers, with testing to be conducted at 10:00 am and interviews starting at 1 pm.
