

**VISION**

*To become an outstanding provider of training provision and Apprenticeships supporting a vibrant and growing economy.*

**MISSION**

*To deliver learning and development packages of the highest quality by providing a professional and stimulating learning environment resulting in all learners being encouraged and supported to reach their full potential.*

**VALUES**

**Excellence**

Through self-review and continuous improvement

**Support**

By promoting equality of opportunity for staff and learners

**Trust**

By doing things the right way for the right reason. Ethically, honestly and every time

**Develop**

By harnessing technology to provide an innovative, flexible, and varied learning and working environment
