Product Offering

BioScribe
3S

- 3.97" Colour TFT
- 32 Bit, 200 MHz Processor
- 8GB Data Flash
- Inbuilt Camera
- IPv6 Ready
- Ultra Fast Finger Print Sensor
- IP65 Weather Proof Housing
- Bluetooth Support
- Inbuilt WiFi
- Optional GSM

*Canteen Firmware Available.

BioStamp
3S

- 1.77" Colour TFT
- 32 Bit, 200 MHz Processor
- 8GB Data Flash
- Inbuilt Camera
- IPv6 Ready
- Ultra Fast Finger Print Sensor
- IP65 Weather Proof Housing
- Bluetooth Support
- Inbuilt WiFi
- Field Upgradable Software

UniStamp
3S

- 2.8" Colour TFT
- 32 Bit, 200 MHz Processor
- 8GB Data Flash
- Multiple RFID Technologies
- IPv6 Ready
- Ultra Sleek Design
- IP65 Weather Proof Housing
- Bluetooth Support
- Inbuilt WiFi
- Field Upgradable Software

*Canteen Firmware Available.

BioRover/UniRover
3S

- 3.5" Colour TFT
- 32 Bit, 80 MHz Processor
- 8GB Data Flash
- Ultra Fast Finger Print Sensor
- Inbuilt USB 2.0
- Support HTTP, SSL
- 3000 mAh Lithium Polymer Battery
- Inbuilt WiFi
- Optional GSM
- Optional GPS

*Canteen Firmware Available.

*Technical specifications may be changed from time to time without any prior notice due to continuous enhancements in the product.

8000 CLIENT BASE

All applications on a single integrated platform offer great flexibility in implementing enterprise wide identity solution. Application specific expertise has been built into this, making it hallmark of all spectra solution offerings.

Attendance App

Access App

Visitor App

Canteen App

Contract Compliance

Self Service Portal

Key Benefits

- Fully web based application on ASP.Net
- Scheduler, Synchronizer and Notifier
- Flexible report builder for unlimited reports
- Configurable third party integration for master & transactions
- Flexible master, lookups with configurable fields
- Integration with third party hardware like fire alarm, CCTV, BMS
- Configurable workflow for each application
- Active directory integration for single sign On

150+ MARQUEE CORPORATE CLIENTS

Product Offering

TwinXs
3S

- 2 Door/4 Reader Controller
- 32 Bit, 200 MHz Processor
- 8GB Data Flash
- Compact Design
- Local Programming
- Configurable Wiegand Interface
- Fully Programmable I/O's
- Inbuilt 10/100Mbps Ethernet
- CAN RS232/ RS485 Ports
- Support HTTP, FTP, SNMP, NTP, SSL

BioScribe
2C

- Standalone Biometric Attendance Recorder
- 3.5" Colour TFT
- Sculpted Finish
- 2 Hrs. Inbuilt Battery Backup
- Optional GSM

UniStamp
2C

- Standalone Access Controller
- 2.8" Colour TFT
- Multiple RFID Technologies
- IP65 Weather Proof Housing
- Ultra Sleek Design

*Canteen Firmware Available.

BioStamp
2C

- Standalone Biometric Access Controller
- Ultra Slim Design
- IP65 Weather Proof Housing
- Field Upgradable Software
- Tamper Proof

QuadXs
2C

- 4 Door/8 Reader IP Controller
- Protected Enclosure for Controller
- 30,000 Employee Database
- 55,000 Transaction Storage
- Door Interlocking Facility

*Technical specifications may be changed from time to time without any prior notice due to continuous enhancements in the product.

Solution Offering

Benefited from solid ground level industry experience on each of the applications all these years, our various products have passed through grilling product enhancement cycle making them truly robust & reliable.

TIME ATTENDANCE

It is the backbone of Spectra solutions array. Experience taught us a lot about complicated, fragmented, industry specific nature of T&A. While others fret over it, we kept learning and improvising our solution. Thus here we are, with a solution that can perfectly fit to any industry.

PHYSICAL ACCESS CONTROL

Our celebrated access control solutions are widely used by many large corporate. We bring on table absolute reliability & minimal downtime to arrest critical failure that may expose restricted areas to external threat. Our advanced cutting edge 3S series products has top notch features parallel with the best in the industry.

VISITOR MANAGEMENT

This application has finally got attention that it deserved. Credit goes to rising security concerns & regulatory audit requirements. Our visitor management offering works standalone as well as in sync with access control, facilitating complete check over visitor

CANTEEN MANAGEMENT

Sound value added product, this solution makes handing out the subsidized canteen benefit to the employees easy and effortless. We not only remove coupons by making operation cashless but help in managing the vendors too. Additionally the same access, attendance identity credentials can be used here.

DOOR INTERLOCKING

This system is predominantly used for clean rooms, pass boxes in pharmaceutical industry to maintain positive air pressure in a designated area. We have complete range of products to cater customer needs with advanced features like field configurable door matrix, integration with fire/access panels, no touch IR switches.

ELEVATOR ACCESS CONTROL

Elevator Access Control (EAC) lets you experience effective control over your lift facilities. Minimizing the risk of manual security breach with easy installation, configuration and operation. It beefs up elevator security by assigning floor-wise restriction, controlling unauthorized footfall.
