

Take I-10 west to exit 258, turn left (South) and go 5.1 miles. Turn right onto Tower Rd, go 2.1 miles. (You will go through a gate, you will have to open it- pull through and close it behind you. It is NEVER locked). Both directions below will place you at County Line Rd, West Boundary Rd and Max Rd. (I have this marked in blue on the Max tract highlighted map.

Directions: 1 of 2 ways

At the end of Tower Rd you will turn *right* onto Camp P Rd. Go 1 mile on Camp P and make a left onto Tower Rd. Once you are on Tower Rd you will pass a road sign “Wire Rd and Black Lake 3rd Rd. Keep going straight on Tower Rd. You will see the next road sign titled “Lake City Spur Rd” keep straight on Tower Rd. Tower Rd turns into Wire Rd within the next mile. Stay on Wire Rd, you will see a sign “SW Driver Rd”. Wire Rd will make a 90 degree turn and become West Boundary Rd. Stay on West Boundary, you will see a sign “SW Bottle Rd”. You will be within a mile from the blue spot on the “max tract highlighted map”. You will come to Max Rd and County line rd. You will see a sign for county line road.

At the end of Tower Rd you will turn *left* and go 3.7 miles and make a right onto County Line Rd and go 5.5 miles. This will place you at the blue spot on the map as well.
